## **EXHIBITS & EXHIBITORS**

### **PART 1- ENTRY**

- 1 With the exception of Household Pets, all cats and kittens exhibited at a show licensed by the GCCFI must be registered with GCCFI. Cats entering the adult and neuter classes must be 9 calendar months or over on show day. Kittens under the age of **14 weeks** on show day must not be shown (in competition or on exhibition).
- 2 The Owner of the cat is the person so named in the GCCFI register.
- 3 Registration and transfer applications must be received **10 days prior to the show**.
- 4 The entry form must be accurately completed. The onus is on the exhibitor to enter in the correct classes and to enter all details to correspond with the details on the registration/transfer certificate. Each competitive exhibit must be entered in its breed class.
- 5 After a cat or kitten has been to any show or public exhibition, a period of 13 clear days must elapse before a cat or kitten from that household may be exhibited again at any GCCFI/GCCF show.
- 6 GCCFI health declaration must be carefully read, signed and the rules specified therein must be observed. If the cat is in joint ownership, either owner may sign.
- 7 Correct Entry Fees as specified in Schedule must be enclosed.
- 8 Entries and fees must be returned by designated closing date.
- 9 Entries may be withdrawn before published closing date by writing to Show Manager. Fees will be returned.
- 10 After published closing date entries may only be withdrawn and fees returned:-
  - (a) in the case of death or serious illness of exhibit(s) confirmed in writing by a Veterinary Surgeon
  - (b) If there should be a change of breed class judge from that published in Schedule. Judge changes will be posted on [www.gccfi.com](http://www.gccfi.com) website and the relevant Club website.

Note: In the event of a change of open class Judge occurring after the closing date of the show, and provided that the Exhibitor informs the Show Manager, prior to judging, that a Certificate has previously been awarded by the replacement Judge, the Show Manager shall, if possible, appoint one other Judge to countersign any Certificate awarded to that cat in that class. This

Certificate shall then count towards Championship status. *Should another qualified judge not be available the certificate awarded by the replacement judge shall count towards championship status.*

- 11 Judges, and members of a judge's household, may not compete in shows at which the judge is engaged, with the exception of the Household Pet Section.

## **PART 2- SHOW DAY**

- 12 Exhibits must be brought in secure escape proof carriers and be accompanied by owner or owner's representative a top loading carrier is recommended.
- 13 Exhibitor or Exhibitor's representative must be available at all times during the course of the show in case any emergency should arise
- 14 Exhibits should be in good health, free of all outward sign of illness or skin disease or vermin infestation.
- 15 All exhibits must be presented to the appointed Veterinary Surgeon(s) for examination before entering the penning area.  
Exhibitors with a number of exhibits must present all to the same Veterinary Surgeon for examination.
- 16 All exhibits are required to have current vaccination against F.I.E. and cat 'flu, certificates to be dated at least 14 days prior to the date of show. Certificates should be brought and will be checked at vetting-in. Cats with an invalid vaccination certificate will be rejected under Section A. Cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination, valid for that show, to the Show Manager within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of vaccination is received.
- 17 Exhibits rejected by the Vet may not enter the show hall.
  - a) Depending on the reason for rejection the Vet may disqualify other exhibits from the same household or cattery and in some instances the owner(s) may also be refused entry.
  - b) Rejection under sections B, C, & D of the Rejection Form means that the owner will have to supply a Veterinary Clearance Certificate to the GCCFI and receive acknowledgement of its acceptance before entering another show.
  - c) Veterinary Surgeons are instructed not to admit adult monorchid or cryptorchid male cats.
  - d) Queens which are pregnant, lactating or have kitted within the past 12 weeks may not compete.
  - e) A de-clawed cat must be rejected.
  - f) The Veterinary Surgeon (or a Judge) may disqualify from competition any cat or kitten which in their opinion is very under-developed or in very poor condition.
- 18 During the course of the show, if the official Veterinary Surgeon is not readily available, the Show Manager alone is empowered to take decisions concerning the well-being of the cats.

- 19 In the case of veterinary rejection the exhibitor will receive a signed rejection slip from the Veterinary Surgeon, also a clearance form which in due course the Exhibitor's own Veterinary Surgeon should complete and return to the Show Manager.  
Following rejection either at GCCF or GCCFI shows, a clearance certificate must be sent to GCCFI and acknowledgement received before the exhibits may compete at another show under either GCCF or GCCFI rules. In the case of rejection fees will not be refunded.
- 20 The decision of the Vet is final and not subject to appeal.
- 21 Exhibits arriving too late for the Veterinary examination may not enter the show and fees will not be refunded.
- 22 If an exhibit seriously bites or scratches a Veterinary Surgeon, Judge or Steward, the matter must be reported to the Show Manager by the injured party. It is then the duty of the Show Manger to withdraw the exhibit from that show and to notify the owner in writing, while sending a copy to the Secretary GCCFI. If the Exhibit was defending itself in exceptional or frightening circumstances, this information should also be given to the Secretary GCCFI so that it may be reported to the Executive for consideration. If the exhibit is reported for biting or scratching at another show it shall be disqualified from participating at all future shows, both for competition and/or exhibition, unless the Executive rules otherwise.
- 23 The Show Manager may require any exhibit which shows undue distress for any reason to be withdrawn from the Show. In such a case the exhibit will be disqualified from further competition on the day.
- 24 Any exhibit which cannot be safely handled (CNH) in or out of the pen by a Judge and/or judge's Steward, will be disqualified, with forfeiture of the relevant entry fees. A Judge's decision in this matter is final. The Judge is at liberty to request the Show Manager to display a warning notice on the pen.
- 25 Any complaint arising from the Show should be in the form of a signed letter posted to the Show Manager within 7 days of the Show
- 26 During the course of the day no exhibitor, under penalty of disqualification, may approach a Judge until that Judge has completed his/her judging engagement.
- 27 Except in the case of the Household Pet Section, all items used in the pen must be regulation white and no identifying objects such as toys may be left in the pen until judging has been completed. Objects identifying the Exhibitor such as business cards or other advertising material may not be left in the vicinity of the pen. A hot water bottle is permitted and should be concealed in the blanket.
- 28 Water must be left in the pen at all times, but feeding dishes must be removed before judging commences. Exhibits may be fed during the lunch interval.
- 29 The use of grooming aids in the show hall, other than the use of a clean brush and comb or cloth is prohibited. No powder or other grooming substances may be left in the coat of an exhibit.
- 30 Exhibitors are requested to point out to the Show Manager at the earliest possible moment, any errors in regard to their own entries which may appear in the Show Catalogue. If pointed out at a reasonable time during the Show,

be corrected in the judges' books and other relevant paper work. If error cannot be corrected the Show Manager may refund the entry fees on request.

- 31 ***Exhibits may not leave the show until the published closing time. Failure to observe this rule will result in awards being cancelled.***
- 32 The Governing Council forbids the sale of cats or kittens at shows. Sale arrangements may be made at shows but a quarantine period of 7 days must elapse before a cat or a kitten is released from the Breeder to its new home. This is to protect the welfare of the cat/kitten and the interests of the Breeder and New Owner.
- 33 **Unacceptable or aggressive behaviour towards any Show Official, Judge, Steward, Vet, Exhibitor or any person WILL NOT BE TOLERATED. Any such behaviour will result in the removal of those responsible (and their cats) from the show venue. This behaviour may result in disqualification and/or disciplinary action by the GCCFI.**

If you decide to decorate your pen, the measurements are 2'x 2' x 2' or 4' x 2' x 2' if you have paid for a double pen. You could make curtains to go round the inside of the pen, decide on a theme and follow that through or follow some idea of your own. ### ENTRY FORM

The entry form must be completed with the details of your exhibit. **Use the cat's pet name only.** Please state whether it is longhair/semi longhair or shorthair and try to describe the colour accurately.
