

Cork Cat Club 08/09/2024

Dr Peter Collin

Many thanks to the club for their superb hospitality and to the exhibitors for their strong support for the show. A lovely weekend with lovely people. Many thanks to my superb steward Annette Howard- a very enjoyable day!!

Section 3 Hibernian Grand Champion

HGC and bob to KISIELIENE'S GrCh JUST ENJOY NAVAHO (BSH a, M, 26/11/2020)

Good shape to round head with good breadth and depth. Large sized round orange eye with good open expression. Well set ears. Good profile. Good sized cobby body just a touch more muscle needed on back. Coat is short dense and firm in texture. Mid sound blue. Good temperament.

RHGC KISIELIENE'S GrCh GARFILD OF GERULIS*LT (BSH b, M, 25/05/2017)

Fairly round head of good breadth and fair depth. Well set neat ears. Medium sized pale orange eyes. Good profile. Medium body is cobby in shape. Coat is short lacks a bit of density and is warm chocolate just a touch unsound. Not a happy chap in show conditions.

British Cinnamon, Fawn Adult

1st CC and BOB KEHOE'S Ch MINNIE OF LAST HOPE (BSH p, F, 19/02/2023)

Good type with apple shaped head of good proportions. Round well opened pale -orange eyes. Broad muzzle is short and good cheeks. Neat ears. Good profile. Large cobby body and nice tail shape. Coat is short firm and has good density. Colour is more lilac toned than fawn but acceptable colour and soundness. Handled well.

BSH Lilac adult

BOB to 37

Good expression. Head a touch more wedge shaped than round. Coat short but mounting heavily.

British Blue Adult

1st CC KISIELIENE'S AMBERKISS TEDDY (BSH a, M, 18/03/2023)

Round head of good proportions. Good strong muzzle and cheeks and well set ears. Very nice size and shape to orange eyes. Good size to cobby body. Coat is short firm and dense. Mid blue just a touch banded and silvered and fairly sound. Handled well.

2 KIRNAJA'S FURRYBLISSLOVE ARCHIP (BSH a, M, 10/05/2022)

Round head. Muzzle a touch long and has a slight pinch. Eyes round and good expression but a bit pale. No profile faults. Bite is overshot. Good cobby body and good coat qualities. Handled well.

BSH AOC Spotted Adult

1st CC W/H to 41

Good head is round with good breadth and depth. Well set ears. Eyes are round well opened but green the reason for the w/h. Good profile and body. Pattern has oatmeal ground colour. Pattern acceptable with broken spine line and spotting with linkage on shoulders. Handled well.

BSH Bi-Colour Adult

1st CC W/H to 42

Round head with good breadth and depth. Good eye size shape and expression. Profile good. Bite correct. Cobby body. Coat is short and firm and dense. Unfortunately not enough white with it only present on face and chest and legs hence the w/h. Handled well.
