

Thank you very much to Ronnie and the committees for the kind invitation to judge. We had a great time with super hospitality and company. Busy day with some lovely exhibits. I had the help of Claudia-Maria Wagner who is an excellent steward- many thanks!

**AC British or Max Champion Male**

**GC GLAVECKA'S Sup Ch YUNO OF DAISY'S HOME (BSH c, M, 23/10/2017)**

Handsome boy. Very good type with a broad round head with good depth and a good short strong muzzle. He lacks some cheek development with his jowls visible. Good rounded broad top of head and well set medium sized ears. Good large round eyes are orange and held well opened with a good expression. In profile very good broad short nose and level deep chin. Bite correct. His body is good medium size and is heavy and cobby with good development coming at his chest and rump. Good tail shape. His coat is medium in length and with good density but is rather soft. Nice lilac shade and sound. He handled very well and is in excellent condition.

**RGC KISIELIENE'S Ch GARFIELD OF GERULIS\*LT (BSH b, M, 25/05/2017)**

Lovely sound chocolate colour. He has a generally good head with good roundness with good breadth and depth and a fairly short muzzle of good shape. His top of head is well rounded and his moderately neat ears are set well. His pale orange eyes are round and fair size and well opened. His profile is good except his nose is a touch long. Bite correct. His body is still very adolescent and tall on the leg and long in the body. Good weight for size but needing to bulk up. His coat is medium length and good density but very soft. Good darker warm sound chocolate. Happy chap who handled well.

**AC British, Manx/Selkirk Rex Grand Premier (Hibernian)**

**HGP WREN'S GrPr & Ch HOONIKATZ RUBY'S PRINCE (BSH ns 22, MN, 10/06/2016)**

Very handsome chap with excellent type and pattern. He has a broad apple shaped head with a good broad and strong muzzle and nice cheek development. His top of head is well rounded and his moderately neat ears are set well. Excellent round eyes of good shape and open expression and are a very pleasing green in colour- so nice to see! In profile he had a short straight and broad nose and level deep chin. Bite correct. Lovely cobby heavy body with strength at his chest and rump and strong legs. Good tail shape. His coat is short with good density and a firm texture. He has good black markings and clean silver with just a touch of agouti invasion to the silver but still good clarity of pattern. M on his forehead and facial tracings and unbroken necklance. Butterfly very good shape and thin straight spine line. Tramlines present and half tail rings and leg bars. He has good oysters with almost complete ring. He handled very well and was in excellent condition.

**RHGP DUFFY'S GrPr&Int Pr ASTRALCHARM BLACK PANTHER (BSH n, MN, 20/05/2017)**

A handsome black lad with good round head with good breadth and depth and slightly prominent muzzle and fair cheek fullness. Rounded top of head and neat well set ears. Deep gold eyes are large and round and with a good open expression. In profile straight broad nose just a touch long. Level good depth chin. Bite correct. His body is heavy and cobby and of good proportions. Tail correct shape. His coat is medium in length and slight lack of density and a bit soft. He was black which was a bit brownish in places and a bit unsound there too. Handled very well.

**AC Burmese Champion Male**

**GC STEELE'S Ch COOMAKISTA SOULFLY (BUR c, M, 26/05/2018)**

Gentle boy with a fairly short wedge with fair width at his cheekbones and tapering to a slightly fine muzzle. Gently rounded top of head of fair width and medium sized well set ears. Good shape to his eyes which could benefit from being a touch larger. Yellow chartreuse in colour. In profile his forehead is a touch long and good nose break and then straight nose is a tad long and ends in line with a medium depth chin. Bite correct. His body is medium in size and heavy for size. Elegant legs and correct tail shape just a touch short. His coat is medium in length and just a touch plush and lies well. He is a good shade of lilac with some warm tones. He handled well with a gentle and calm nature and was in great condition.

**AC Burmese Grand Premier (Hibernian) Male**

**HGP SLUITERS' Tara HibGrPr BACKCHAT KAPELMEISTER (BUR e, MN, 22/11/2013)**

Lovely Burmese expression to this mature chap. He has a moderately short wedge with a blunt muzzle of good width and rounding to the top of his head and medium sized well set ears. He has good size set and shape to his eyes with a well-rounded bottom line and flutter Top line angle towards his nose there are green chartreuse in colour with a very good expression. Compact body of good weight with a short coat with very good texture and he has a dark cream coat. He was a gentle boy and handled very well and shown in good condition.

#### **Lilac Adult Male**

##### **1<sup>st</sup> CC and BOB DEALEY'S Int Ch ALIMURS BOOMER (BSH c, M, 10/06/2017)**

Superb type to this chap with an excellent broad apple shaped head with very good depth. He has excellent shaped to his muzzle and cheek development is good. Excellent round top of head and neat ears set into the contours. Round well sized eyes of deep gold colour held well opened with a good expression. Very good profile with straight short nose and level deep chin. Excellent cobby large body with strength at chest and rump. His coat was short with very good density in a firm texture good shape to his tail with good mid lilac colour. Gentle chap who handled well. Lovely to see him later overall best in show- many congratulations!

#### **Blue Adult Male**

##### **1<sup>st</sup> CC KERNAGHAN'S SKYOTA I DID IT MY WAY (BSH a, M, 03/07/2017)**

Round head with good breadth and depth and good shape to his short muzzle. Cheek development still to come. Top of head shows very good rounding with neat ears just held a little high. His eyes are round of good size and deep Golden colour. Good profile with short straight nose and deep chin. Bite correct. Cobby boy with very good wait with a mid-blue coat which was slightly silvered but sound. His coat was short with good density and a firm texture

2<sup>nd</sup> Pen 41.

Mature chap with a broad head of very good breadth and depth with a good shaped his muscle. Cheek fullness developing and well-rounded top of head and medium sized well set ears. Round orange eyes were held well open. In profile he has a short straight nose and level deep chin. Correct bite. His body was medium in size little bit lean on the flanks but otherwise of good weight. His coat was moderately short and dance with firm texture slight lack of density compared with the winner. He is a dark blue which was rather unsound and banded.

#### **Blue Adult Female**

##### **1<sup>st</sup> CC and BOB STEELE'S GOTHAM ARIZONA DREAM (BSH a, F, 12/12/2018)**

Beautiful young lady with a broad apple shaped head very good breadth and depth with a short strong muzzle and excellent rounded top of head and neat well set ears. Lovely expression to her large round well opened eyes of pale orange colour. Very good profile with short straight broad nose and level deep chin. Bite level. Cobby heavy body is compact in size. Still to mature fully with her body shape. A coat is short slightly silvered pale blue and with good density and firm texture. She handled very well and in good condition.

#### **Cream Adult Female**

##### **1<sup>st</sup> CC and BOB STEELE'S Ch LUXDON ASTROIA (BSH e F, 08/10/2018)**

Good type. Round head with good breadth and depth. Good shaped muzzle. Cheek development coming and good rounded top of head. Neat ears. Good expression to her round eyes of deep gold colour held well opened. Good profile with short straight nose and level bite correct cobby compact body of good weight. A coat with short length with good density and firm texture. She is a dull cream colour which was slightly unsound but acceptable. She was gentle and handled well. Shown in good condition.

#### **Black silver Tabby Adult Female**

##### **1<sup>st</sup> CC and BOB WREN'S Ch HOONIKATZ CHARLOTTE'S WEB (BSH ns 22, F, 10/04/2016)**

Super girl! Round head with very good breadth and depth with very good strong muzzle and deep chin. Good rounded Top of head neat well set ears. Her eyes are round held well opened and a nice green colour. Good short nose is broad and finishes in line with a deep chin bite correct. Cobby weighty body with good strength chest and rump. Excellent coat is short with good density and a

firm texture. Good clean silver and good clarity to pattern. M on her forehead facial tracings and thumb prints on her ears. Several unbroken necklaces, slightly narrow spine line with matching tram lines and good shaped the butterfly. Symmetrical oysters and an incomplete ring. Tail rings and leg bars. She handled very well and was in super condition. Very promising.

#### **Blue-Cream/Lilac Tortie/Fawn Tortie Adult Female**

##### **1<sup>st</sup> CC and BOB KISIELIENE'S Ch ZARA ASTIBRI (BSH g, F, 15/10/2017)**

Pretty young girl with the rounded head of good breadth and depth with nice shape to her muzzle and rounded top of head. Good cheek fullness developing. Nice eyes are round held well opened an orange in colour. She has a good profile with a short straight nose and level deep chin. Bike correct. Coat is short of good density and firm texture. Her body is compact and weighty. Mingling still to develop to her pale blue and mid cream.

#### **Lilac Kitten Female**

##### **1<sup>st</sup> and BOB KISIELIENE'S AMBERKISS BELLA (BSH c, F, 02/02/2019)**
