Mrs Rosemary Fisher

I was delighted to be invited to the GCCFI Support Show & Midland Cat Club's show in Thurles. As always, a warm welcome awaited us, and I thank Carmel and the club's committee for inviting me. The venue in Thurles worked well, with excellent daylight which helps so much to assess colour. It was a well supported show, with lots of visitors in the afternoon showing a great interest in the different breeds on show. Special thanks to my steward who worked hard throughout the day for her help and good company.

Hibernian Grand Champion (Invictus Class) Male

w/h HARTE'S HibGrCh&Int Ch MOLLYCODDLE HEARTBREAKER (EXO n 03 22)

This mature boy has a very good round masculine head, with a good broad top and well set ears. His eyes are a good round shape, the colour is now a touch pale, but he is over 7 years old. He has good full cheeks, firm chin and a good bite. He is a good cobby shape with well boned legs and a short thick tail. His coat is a good length, the brown tabby areas are well marked and he has a white moustache and white to all limbs and a white spot to his back and a white belly. He is a good looking cat, but sadly let down on preparation, and his white areas looked grubby, my reason for withholding this important ticket.

Hibernian Grand Premier (Invictus Class) Male

IN WAGNER'S Sup HibGrPr SILVERFERN FRENCH KISS (MCO n 03 22)

What an impressive boy, with lovely head type. He has large, wide based tall ears, very well set, well feathered and with long tufts. Green eyes with good shape and set, good square muzzle, cheeks fairly full, high cheekbones, quite good chin and a level bite. Large body with a broad chest, good square rump, thick strong neck. His legs are strongly boned, large tufted paws. Long tail, wide at the base and tapering to the tip. Good texture coat with good length on his back, flanks and tail. Good classic tabby pattern, with the white areas pristine, beautifully shown.

Section 3 Hibernian Grand Champion

HGC KISIELIENE'S GrCh GARFILD OF GERULIS*LT (BSH b, M)

This boy has a very good round head with well placed ears that are just a touch open at the base. His eyes are round and well opened and a good bright orange colour, contrasting nicely with his chocolate colouring. He has a round face with good full cheeks, a short broad nose, nice firm chin and a level bite. His body is strong with a good muscular feel, strong well boned legs and round paws. His tail is medium length, thick and with a rounded tip. His coat is a good dense texture, the colour is a little dark but the tone is warm chocolate.

Grand 3A Champion

GC KISIELIENE'S Ch JUST ENJOY NAVAHO (BSH a, M)

Very nice 2 year-old boy with a round head and small well paced ears. He has round orange eyes and a short broad nose in a round open face, quite good muzzle width, firm chin and a level bite. He is well grown with a good strong cobby body, well boned legs and round paws, balanced by a medium length thick tail with rounded tip. His coat is short, with a good texture and a pleasing medium shade of blue.

Cream Persian Adult

C & BOB GARCIA'S AMORAMIST POM-POM JOBISKA (PER e, F)

This is a feminine cat with a round head, well placed ears and round orange eyes, shortish broad nose, round cheeks and good chin and level bite. She is very cobby in shape, with short legs and a short full tail. Her coat is medium length, the colour is generally a good even medium toned cream, just a touch lighter at the base.

1 & BOB WAITES' IRESYMPE WILLOW EMERALD-ANGEL (PER ns 11 64, F)

Six month-old girl with a good round head, well set small ears. Round eyes with the colour still developing, a good green at the centre, slightly paler at the outer rim, sweet expression. Round cheeks, good firm chin, bite a little undershot, and I wouldn't want to see it go any further. She has a good cobby body shape, short strong legs and a short full tail. Her coat is fairly full, with a good soft texture, but she is Shaded rather than Chinchilla, so I would suggest she is re-registered. Good pigmentation with well defined black eyeliner and black paw pads, nicely shown.
