

STEVE CROW – GCCFI SHOW – 16th October 2016

My thanks to Ronnie and the Committee of the GCCFI for the kind invitation to judge at this year's show, I had an extremely enjoyable weekend meeting some very friendly people and beautiful cats. Many thanks to my steward, Emeline Callan, who handled the cats with care and confidence and was such good company during the day.

Asian Self or Tortie Adult: One girl entered. 1CC & BOB. LENIHAN'S COOMAKISTA REALTNAH OICHE. Bombay. 21/5/2015. Attractive young lady who is maturing nicely, but retains a slightly adolescent look at present, showing very pleasing type. Long slender balanced body is lithe and of very good weight and substance, feeling firm and muscular with straight back, correctly rounded chest and slender elegant, well-shaped legs ending in neat oval paws in proportion. Head forms short wide wedge with slightly rounded top between well-spaced medium size broad based ears of good shape. Large lustrous rich golden yellow eyes are of very good shape and set wide apart to give typical "glowering" expression. In profile has good depth to skull, very gentle curve to brow, very good break, short straight nose and chin is just level and of fairly good depth. Coat is of medium length, a touch long on the back, but fine and close-lying with a smooth satiny texture, shown in super condition and displaying a glossy shine. Dense jet black colour is even in tone with quite good colour to the hair-roots. Tail tapers evenly to "paintbrush" tip and length balances. A little shy at first, but soon relaxed, an affectionate girl. Promising, she needs a little more time to fully mature and reach her potential

Russian Blue Neuter: One boy entered to be considered for Best of Breed only. BOB to SCARLETT'S PR ABIGAIL ARMANI.
