

I was delighted to be asked to judge at the Irish Supreme show. Lovely atmosphere and some very nice cats in attendance. Thank you Ronnie for inviting me and to all the hardworking committee and helpers who made the day very special. My grateful thanks also go to Karen Tanner for her kind assistance and gentle handling of the cats. I hope you enjoyed your day as much as I did Karen, and hope we can do it again sometime.

#### **BRITISH CHOCOLATE CHAMPION MALE**

**1<sup>st</sup>. GCC KISIELIENE'S CH GARFIELD OF GERULIS\*LT** Nicely rounded head with neat ears, set well apart. Round, deep orange eyes, well developed cheeks, straight, short nose, level bite, fairly firm chin. Cobby body with good bone. Short sturdy legs and balanced tail. His coat is fairly short, a little soft in texture, almost sound to the roots with some slight barring evident on legs. Rich, warm chocolate brown colour. He is still rather the adolescent, but has time on his side. Relaxed boy.

#### **BRITISH BLACK PREMIER MALE**

**1<sup>st</sup>. GPC DUFFY'S PR ASTRALCHARM BLACK PANTHER** Huge round head and neat ears. Round orange eyes, full cheeks and short straight nose, level bite with firm chin. **1<sup>st</sup>. GPC WREN'S CH & PR HOONIKATZ RUBY'S PRINCE** Large round head with neat, well set ears. Round hazel eyes, full cheeks, short straight nose and level bite with firm chin. Well nourished, chunky body with very nice boning and short sturdy limbs, balanced tail. Short, dense coat, deep silver ground colour and dense black classic pattern. Clear facial tracings and butterfly, straight tramlines, oysters almost match. Numerous unbroken necklaces and pattern down to toes. A little shy, but handled well.

#### **CREAM BURMESE GRAND CHAMPION/HIBERNIAN MALE**

**1<sup>ST</sup>. TARA GPC SLUITERS' TARA GP BACKCHAT KAPELMEISTER.** Short, wide wedge and medium ears set wide apart. Flattened top of head, chartreuse eye colour, good shape and set. Defined nose break, straight nose, blunt muzzle. Level bite and fair chin. Solid muscular body on slender limbs, balanced tail. His coat is short and close lying, silky texture and quite evenly shaded. Handled well, though his rather noisy neighbour clearly upset him.

#### **TORTIE BURMESE GRAND PREMIER/HIBERNIAN**

**1<sup>st</sup> TARA PC SLUITERS' TARA GP ALDEBIZ MANEKI HOSHI** Small girl with short blunt wedge and medium ears, set well. Gently rounded top of head, good width at cheekbones, well defined nose break, straight nose, level bite and firm chin. Dainty girl of good weight for size, slender limbs and balanced tail. Short, fine coat lying close to the body. Nicely mingled warm chocolate with shades of red. A most delightful, sweet girl who took it all in her stride.

**BRITISH BLUE PRE-CHAMPION MALE**

**1<sup>st</sup>. CC BOB MCLOUGHLIN'S TERHEIDE'S CHIPPIE** Mature round head with tiny ears, set well apart. Round pale gold eyes, full cheeks, short straight nose, level bite and slightly weak chin. Cobby body of good weight, short, straight legs and balanced tail. His coat is short and dense with a crisp feel, heavily ticked throughout the coat and slightly shady at the roots. A gentle boy who handled well. Would benefit from some show preparation.

Short nose, level bite and firm chin. Cobby body, deceptively heavy, short legs and good bone. Tail a fraction long. A fairly relaxed boy who handled well and who would benefit from some further show preparation.

**FEMALE**

**CC WITHHELD 1<sup>st</sup>. KISIELIENE'S OREO OF PERLA POLUDNIA** Sorry to withhold the certificate, but unfortunately she lacked British type and coat. Rounded head and neat ears, set well apart. Cobby body and good bone, balanced tail. Short, rather soft coat, medium blue in colour and fairly sound to the roots. Well prepared. He was very unhappy today and was rather naughty.
