

Thanks you to Colm and the Committee for the invitation, Kit and I had a just fabulous time in Southern Ireland and were blessed with good weather. Enormous thanks to Annette Howard who gave up her day and stewarded for me, she handled all the cats with easy and has a wonderful sense of humour which made for a very pleasant day.

Hibernian Grand Premier (Invictus class) Female

1st IN - Wagner's Sup IB,HibGrPr&Int GrPr ISHCUS QUEVAGA, (MCO f 03 22) FN 18.06.2019

Tortie & White Tabby Maine Coon. Super gentle nature to this girl who was a joy to handle. Medium length head with the width being slightly less than length, fairly full cheeks, high cheek bones. Large tall ears with width to base high set and cute tufts to tips, full round pale green eyes placed wide apart with oblique aperture and set. Good square muzzle and deep chin with level bite. A large girl with good muscle tone to body, wide to chest and square to rump. Sturdy legs with large round paws. Full well prepared coat with tabby pattern evident, I loved the white dot to her whisker pad. Long well furnished tail. She went on to be overall BIS well done.

SECTION 3

Hibernian Grand Champion

1st HGC - Richardson's GrCh C-ZEUS ML, (BSH b 33) M 12.12.2022

Chocolate Colourpointed. A well developed boy with gentle nature, masculine head large and well rounded with smooth skull between well set medium sized ears a touch wide to the base. Round light blue eyes, short broad nose with a slight curve when viewed in profile, balanced well by full cheeks and rounded muzzle, level bite and good chin. Compact shaped well filled frame with sturdy short legs and large firm round paws. Super short dense coat, well defined mask and points a cross between galaxy and hotel chocolate, clear ivory body colour, balanced length fully coloured tail.

2nd RHGC - Kehoe's GrCh OSCAR SAMANTE-BOHEMIA, (BSH c) M 17.04.2022

Lilac. Another gentle natured soul, rounded head with smooth skull between medium sized ears with width to base, he held these rather high. Lovely expressive round orange eyes, short broad nose, rounded cheeks just a little square to his muzzle, level bite and good chin. Good boning to frame, standing just a fraction high on his legs, a darker shade of lilac his coat was lacking in undercoat so seemed a little long in places plus lacked a pinkish huge. Balanced length tail with rounded tip.

Hibernian Grand Premier

1st HGP - Wren's Ch & Sup GrPr DELPHINIUM SUMMER-MORNING, (BSH ns 22) FN 10.07.2020

Black Silver Tabby. A chunky very chilled girl in super condition. Rounded head with smooth skull between well set medium ears with width to base, large round green eyes, short broad nose with slight hint of tarnish, rounded cheeks and muzzle, level bite and good chin. Compact shaped frame with superb boning held on short strong legs with firm round paws. Short coat with good density a dark silver with clear dense black markings, M to face, butterfly to shoulder, separated spine lines, matched oysters, slightly short tail with clear rings and rounded tip.

2nd RHGP - Iqbal's GrPr AMBERKISS OPAL, (BSH c) FN 04.05.2023

Lilac. A slightly nervous girl, rounded head with fair width of smooth skull between medium sized ears, a touch wide to the base with my pet hate tufts to tips!. Rounded light golden eyes, short broad nose rounded cheeks and muzzle, untidy level bite and fair chin. Good boning to cobby shaped frame with short strong legs. Medium length coat a darker shade of lilac lacking pinkish huge and a touch unsound to the roots in places. Balance length tail with rounded tip.

Grand 3A Champion

1st GC - Kirnaja's Ch AURUM BLOSSOM DANAYA, (BSH ny 12) F 11.09.2022

Golden Tipped. A gentle girl who wanted to just sit in her litter tray, rounded head that looked a fraction small for her body size with smooth skull between well set ears with cute ear furnishings. Fully outlined expressive aqua coloured eyes, short broad nose with outline, rounded cheeks and muzzle, level bite and good chin just a little pale in colour. Good boning to frame which is long rather than compact in shape, she is standing tall and needs to pack on some weight. Short coat a fraction lacking in undercoat but a good texture, a lovely light golden apricot ground colour with medium to heavy even tipping to the ends, balanced length tail with rounded tip

British Chocolate Adult

1st CC B.O.B. - Kirnaja's FURRYBLISSLOVE BOSIK, (BSH b) M 24.11.2024

This boy is more very large kitten than butch male but has plenty of time to develop and a wonderful nature. Rounded head with smooth skull between fractionally large ears with width to base. Expressive round eyes a pale orange, there was a possible slight green rim round the pupil but I gave him the benefit of doubt, short broad nose, slight rounded cheeks his muzzle needs to fill as his chin is rather pointed at present, level bite. Lightly boned compact shaped frame, short coat a little unsound in places, so more Bourneville with Galaxy to the roots, balanced length tail.

British Lilac Adult

1st C.C. B.O.B - Richardson's MIAMOREPAWS MEADOW, (BSH c) F 27.09.2024

Well rounded head with wide smooth skull between medium sized well set ears a fraction wide to the base. Round deep orange eyes, short broad nose with curve when viewed in profile, balanced well by full cheeks and rounded muzzle, level bite and good chin. A chunky girl with good boning to cobby shaped frame with short strong legs and large firm round paws. Good density to coat, just a little soft in texture a medium lilac lacking pinkish huge. Balanced length thick tail.

British Blue Adult

1st C.C. B.O.B.- Kirnaja's FURRYBLISSLOVE ARCHIP, (BSH a) M 10.05.2022

Blue. A good sized boy with gentle nature, small rounded head with very wide smooth skull between medium sized ears with width to base, round pale orange eyes, short broad nose rounded cheeks and muzzle, level bite and good chin. Good boning to body which is more long than compact, he is standing high on his legs so needs to possible stop think about the girls and pack a little weight on. Short darker blue coat lacking undercoat at present generally sound to the roots, balanced length tail with rounded tip.

British Cream Adult

1st C.C. B.O.B.- Hussey's BEXIVIA-BSH CUSTARD, (BSH e) M 06.07.2024

A very shy boy who wanted to hid in his pen he is pretty rather than butch. Rounded head with smooth skull between well set medium sized ears, expressive round deep orange eyes, short broad nose rounded cheeks and muzzle, level bite and fair chin. Not a huge boy he has a compact shaped frame with good boning. Short dense coat a pleasing paler cream and generally sound to the roots, short full with rounded tip.

British Tipped Adult

1st C.C. B.O.B. Kirnaja's IREMOOBR ARON, (BSH ns 12) M 08.05.2023

Black Tipped. A lovely friendly boy with wonderful purr. Rounded head with fair width between large ears that were rather wide to the base, fully outlined round eyes a light aqua green, short straight nose with full outlined to pale rose nose leather, cheeks and muzzle need to fill out, level bite and fair chin. Long in the body but with good boning, short coat lacking in undercoat a clear silvery white with light even tipping to ends. Balanced length tail with rounded tip.

British Colourpointed Adult

B.O.B - Richardson's GrCh C-ZEUS ML, (BSH b 33) M 12.12.2022

British Golden Tipped Adult Male

1st C - Kirnaja's FURRYBLISSLOVE ARSEN, (BSH ny 12) M 24.04.2024

A sweet natured boy currently very adolescent he needs time to fill out. Rounded head with smooth skull between well set medium sized ears a touch on the large side with width to base, I loved his attractive ear furnishings. Round eyes with an aqua colour developing from round the pupil, short broad nose, slight rounded cheeks, he is a little square to his muzzle, scissor bite and fair chin. Good boning to frame more long than compact and he needs to pack on some weight, short coat with fair density a light golden apricot with light generally even tipping to the ends, balanced length tail with rounded tip.

British Golden Tipped Adult Female

B.O.B - Kirnaja's Ch AURUM BLOSSOM DANAYA, (BSH ny 12) F 11.09.2022

British Longhair Adult Male

1st C.C w/h - Kolodziejczak & Spiewak's GOLDENROSE* BLING RUBIN, (BLH ny 12) M 08.10.2024

Golden Tipped. Just the loveliest nature to this boy, rounded head with good width between neat well set round tipped ears with internal furnishings. Large round aqua coloured eyes, short broad nose with gentle break, full cheeks and muzzle, level bite and good chin. A good size for his age with well boned frame held on short strong legs with firm round paws. I am sorry to say it was his coat that let him down and why I withheld the certificate he had very large patches of mingled knots which had all joined together over his flanks. Well furnished tail

British Longhair Adult Female

1st C.C. Spiewak & Kolodziejczak's GRAFIN MONSERO'S MERCEDES, (BLH ny 12) F 30.07.2022

Golden Tipped. A pretty girl, rounded head with fair width of smooth skull between medium sized well set ears with internal furnishings, fully outlined eyes a light green colour, short broad nose with slight break, rounded cheeks and muzzle, level bite and good chin. Medium sized with fair boning slightly more rectangular than cobby in shape. Well prepared coat with fair density and a degree of resilience, a light apricot with medium tipping to ends, balanced length tail well furnished tail.

2nd - Spiewak & Kolodziejczak's DAVIWAY KAMIKO, (BLH ay 12) F 22.08.2024

Blue Golden Tipped. A shy girl rounded head with smooth top between well set medium sized ears, large round aqua coloured eyes, short broad nose with gentle break, slight rounded cheeks and muzzle, level bite and fair chin. Lightly boned frame she needs to indulge and put some weight on, fair density to coat with medium tipping to ends, medium length well furnished tail.

British Cinnamon/ Fawn Kitten

1st B.O.B. Kirnaja's FURRYBLISSLOVE SABRINA, (BSH p) F 26.01.2025

Fawn. A super friendly kitten a good size for her age, round head with good top and well set ears that were a little on the large side and wide at the base. Round golden eyes, short broad nose, slight rounded cheeks a little square to the muzzle, level bite and good chin. Super coat for length and density a little unsound in places generally a warm rosy mushroom. Full tail with rounded tip

British Bi-colour Kitten

1st B.O.B. Kirnaja's FURRYBLISSLOVE SIGMA BOY, (BSH o 03) M 26.01.

Cinnamon & White. A super sized boy for this age with very soft nature, nicely rounded head with good width between large ears rather wide at the base and he held them at a strange angle, expressive round orange eyes, short broad nose, well filled cheeks just a little square to the muzzle, level bite and good chin. Super boning to frame, he is growing so long rather than cobby at present, short coat lying rather flat, white to face, legs and stomach the cinnamon colour is a little unsound to the roots, balance length fully coloured tail.

British Colourpointed Kitten

1st B.O.B. Richardson's CELTICMOONPAWS CLEO, (BSH b 33) F 27.02.2025

Chocolate colourpointed. A pretty girl growing well. Rounded head with medium width between ears that are a fraction on the large side, large round eyes with a super blue colour developing, short straight nose, her cheeks are filling and rounding as is her muzzle, level bite and fair chin. Good boning to compact shaped frame on short strong legs, lovely coat for length and texture, her points and mask are filling, definitely a hotel chocolate variety, clear ivory body colour. Fully coloured tail with rounded tip.

British Longhair Kitten

1st B.O.B. Hussey's PALUDARATH DELPHINUS, (BLH a 03) F 10.05.2025

Blue & White. A very sweet confident little dot. Rounded head with good width between well set medium sized round tipped ears with internal furnishings. Large round eyes with the orange colour developing, short broad nose with gentle break, cheeks filling as is her muzzle, level bite and good chin. Cobby shaped body with good boning on short strong legs with firm round paws. Good length and density to semi-long coat, a little curly in places plus she had a tad smelly rear end, a light blue white triangle to face, white also to legs and chest, well furnished fully coloured tail

2nd - Kolodziejczak's GOLDENROSE* POPPY, (BLH ay 12) F 30.04.2025

Blue Golden Tipped. A very confident personality but quite a small girl for her age. Rounding to head with smooth skull between well set neat ears with cute internal furnishings. Expressive large round eyes with the colour developing, slightly rounded cheeks and muzzle, level bite and good chin. Cobby shaped lightly boned frame with short legs and firm round paws. Well prepared soft coat, her ruff is developing a pretty warm mushroom undercoat with light medium blue tipping. Short well furnished tail.

British Lilac Neuter

B.O.B. Iqbal's GrPr AMBERKISS OPAL, (BSH c) FN 04.05.2023

British Black Silver Tabby Neuter

BoB - Wren's Ch & Sup GrPr DELPHINIUM SUMMER-MORNING, (BSH ns 22) FN 10.07.2020

1st P.C. - Morris' HOONIKATZ SILVER-GIZMO, (BSH ns 22) MN 21.07.2021

Round head with smooth medium width skull between well set ears slightly wide to the base. Round light green eyes, short straight nose with brick red nose leather and a hint of tarnish, rounded cheeks and muzzle, level bite and fair chin. Small lightly boned frame on short legs, short dark silver coat with clear dense black markings a little lacking in undercoat so lying flat, M to forehead, butterfly to shoulder, separated spine lines and well matched oysters, balanced length tail with clear rings

British AOC Spotted Neuter

1st P.C. B.O.B. Reynolds' IREOCTBR MEGAMI IZANAMI BOO, (BSH a 24) FN 25.09.2017

Blue Spotted. A very sweet shy girl who just wanted to hide under her blanket. Rounded head with smooth skull between medium sized ears which she held splayed to the side, round light golden eyes, short broad nose, nicely rounded cheeks a fraction square to the muzzle, level bite and good chin. Compact shape well filled frame with good boning, short coat with good density a darker blue the markings are just about visible at a distance, there is a bluish fawn ground the patterns is more of a diamond than spotted shape. Balanced length tail with visible rings.

British Bi-colour Neuter

1st P.C. B.O.B. O'Sullivan's ASTRALCHARM DANTE, (BSH a 03) MN 06.07.2024

Blue & White. A huge boy who clearly loves his food, he has a wonderful gentle nature. Well rounded head with wide smooth skull between fractionally large ears with width to base, expressive large round eyes a super deep orange colour, short nose with curve when viewed in profile balanced well by full rounded cheeks and muzzle, level bite and firm chin. Huge well boned frame with depth to chest and rump on short strong legs with large firm round paws. Short dense coat a medium blue, white to face and chest plus patches to tummy, cute white socks, blue body colour and cute small blue dot to right lip. Balanced length fully coloured tail.

British Longhair Neuter

1st P.C. B.O.B. Morris' JUDITA'S BRITISH CAESAR, (BLH ny 12) MN 05.12.2023

Golden Tipped. Well rounded head with smooth wide skull between medium rounded tipped ears with cute long internal furnishings. Expressive round well-opened eyes a lovely aqua colour, short broad nose with gentle break, rounded cheeks and muzzle, level bite he has a broken right canine, fair chin. Good boning to compact shaped frame on short strong legs with large tufted paws. Semi-long coat with good density and a degree of resilience, it had been well prepared a warm golden apricot with dark tipping to ends, fully furnished tail.
