

GCCF OF IRELAND SUPREME SHOW

Thank you to Ronnie for the invitation to judge at the Irish Supreme. I was ably assisted by Daniel Guggenheim and Amy. Thank you to both of you. I had a very nice few days in Dublin and hope to return soon as it is a beautiful city.

AC SILVER TABBY MAINE COON

1CC BOB K SWIACKA'S MELANIA ISZTAR COON*PL (MCO fs 22) 26/6/16 - Tortie Silver Tabby Maine Coon. Well balanced body, medium in size, solid and muscular. Standing on substantial legs with large round tufted paws. Head medium in length with large tall well-tufted ears that are spaced well apart. Round gold eyes set slightly oblique. Nose of uniform width with shallow concave curve. Good bite. Cheeks fairly full with high cheekbones. Would like a squarer muzzle, strong chin. Well-prepared coat with ruff. Ground colour very pale silver and silvery red. Markings black on a copper brown agouti with red intermingled. M to forehead, spectacles, thumbprints to ears. Tail long and at least the length of the back, well ringed.

AOC MAINE COON

1CC BOB BRINDLEY & SMITH'S SI*MEOW A HOLIC'S BLACK BLIZZARD (MCO n 03) M 1/5/16 - Black and White Maine Coon of good build, solid and muscular. Head medium in length with good width between large, tall ears that are well spaced and very well tufted. Full round green eyes that are well spaced and set slightly oblique. Nose of uniform width with shallow concave curve. Good bite. Cheeks developing well. Muzzle square. Coat needing a little more preparation and legs looked a little dirty. Tail long and at least the length of the back.

NORWEGIAN FOREST

1CC BOB MRS E McCLELLAND'S NOYNAROCK REISA (NFO f 09 22) F 15/3/16 - Brown Tabby and White Norwegian Forest. Large and heavy boned, yet elegant. Body long and muscular standing high on the legs with the back legs being longer than the front ones. Triangular head with long straight profile. Forehead slightly rounded. Chin firm. Ears have good width and need to be a little larger for perfection. Eyes oval and set obliquely and are alert and expressive. Good bite. Well prepared coat showing an overcoat but lacking the undercoat. Tail long and bushy.

SIBERIAN

1CC BOB M PIOTRKOWSKI'S EZYRR Z DZIKIEJ SYBERII*PL (SIB ny 24) M 20/1/16 - Golden Spotted Tabby Siberian. Head is in good proportion to his body. Short broad wedge with rounded contours and slightly rounded muzzle. Ears of medium size which are set wide apart and well furnished. Orange slightly oval shaped eyes. Nose of uniform width with a slight concave curve at the bridge. Level bite. Cheekbones low set, broad and connected by a gentle, rounded line to the whisker pads and chin. Well prepared coat of medium length with a very dense undercoat that is soft and fine lacking the

coarser topcoat at present. Well furnished tail which reaches at least the shoulder blades. Lovely temperament.

NORWEGIAN FOREST KITTEN

1ST BOB MRS E McCLELLAND'S NOYNAROCK LIESL (NFO ns 09 22) F 26/10/16 - Brown Tabby and White Norwegian. Her body is long and elegant. She has very good boning and stands on legs that are longer at the back than the front. Head is triangular and she has a lovely straight profile. Eyes are large, oval and set oblique. Ears are large, set high on the head so that the line of the ears follows the lines of the head to form the triangle. Firm chin. Coat is well developed. She has a woolly undercoat and it is covered by coarser guard hairs. Tail is a good length and easily reaches the shoulders.

2ND MRS E McCLELLAND'S NOYNAROCK MARTA (NFO ns 09 22) F 27/10/16 - Brown Tabby and White Norwegian of good size and shape. Her body is long and she is solid yet elegant. She stands high on the legs with her back legs longer than her front ones. Head is triangular in shape with a lovely straight profile. Her forehead is slightly rounded. Chin slightly weak. Ears are large with good width at the base and set nicely apart. Eyes are a good size. Good bite. Coat is well developed and consists of a woolly undercoat covered by an overcoat of long and coarser guard hairs. She has a lovely full ruff and knickerbockers. Tail is long, bushy and needs just a couple of more inches to balance.

LILAC BIRMAN GR PR

TARA GP MR M KIERAN'S GR PR CARRICKFERN INSIGNIA (13c4) MN 22/5/09 - Lilac Point Birman of good shape and size. Broad and rounded head with good width between medium sized ears that are spaced well apart. Almost round blue eyes. Medium sized nose with a slight dip in profile. Good bite. Cheeks nicely full. Well prepared magnolia coat. Points a matching pinkish grey. Even gloves, pure white socks and good length to gauntlets. Tail bushy and medium in length. Looks good for his age.
