

G.C.C.P-I 18<sup>th</sup> February 2024.

Thank you to Colonel Caroline and the team for asking me to judge. I was very lucky to enjoy the company of Ed & Francis as we 'dashed' from Dublin to Thurles & back. It was a busy day!

WAGNER'S - TORA HIB GR CH BHCUS FRANKLIN

MCO as (M) 2.5.17

A very imposing fella who was very easy to examine. Strong head displaying square muzzle, level bite, good chin. Well set ears of good size. Golden eyes that defied me not to award!! Good coat.

### SECTION 3

#### GRAND CHAMPION

GR.C.

KETHOE'S - CH OSCAR SAMANTÉ - BOHEMIA

Bbhc (M) 17.4.22

Good sized & balanced to this lad displaying a well rounded head shape, level bite, good chin. Neat, well set ears. Orange eyes of good shape & size. Pleasing open expression. Typical body shape for the breed, hams & tail to balance

coat is dense with a crisp overtone  
in places albeit a fraction long. Pleasant  
shade of blue, a little patchy in places  
where he is still losing his old coat.

Res. Co.  
KIRNATA'S - CH. FLASH'S TOMAS  
BSH ny 12 (M) 16. 3. 21

This lad was very shy and not showed  
to his best advantage, well balanced  
but on the small side for his age and  
breed. Rounded head, a little short on  
the nose, messy dentition, pale green eyes  
neat well set ears. Good body shape,  
pleasing warmth to under coat clear  
tipping on coat of good density but a  
little on the long side.

### BSH CHOCOLATE ADULT

1st CC a B.O.B.

HEALY'S - FURRYBLISSLOVE ASOL

BSH b (F) 7. 1. 23.

A balanced girl of pleasing size, good  
head type, level bite, strong chin. Neat  
ears, pale gold eyes. Good body, level  
& tail. Warm shade of chocolate that parts  
a little at the roots in coat that is dense,  
short but a little soft in texture.

B5H BLUE ADULT - MALE

1st CC

KIRNAJA'S - TEDDY BRITS FRANKLIN

B5Hm (M) 15.4.20

Well balanced lad of good size, strong masculine head, level bite, shallow chin. Neat well set ears. Pale orange eyes of good shape, set & size. Strong body with hump & tail to balance. Dense coat a little on the long side, mid blue but he needs a lot more preparation as a lot of loose coat present.

1st CC & B.O.B.

KEHOE'S - FEDERICA OF LAST HOPE

B5Ha (F) 4. 9. 22

Young girl of good balance and reasonable size for her age class. Overall good head shape, level bite, shallow chin. Rather short in the nose length with a smallish nose leather. Neat well set ears. Lovely copper eyes. Good body shape with limbs & tail to balance. Mid. blue coat that was dense, and short with some crisp crests.

B5H1 BLUE CREAM / UNAC TORTIE / FAWN TORTIE ADULT

1st CC & B.O.B.

STEEL'S - ASTRAL CHARM TAILOR MADE

B5Hg (F) 31. 3. 23

Another youngster who was rather overawed by the whole event but handled well. Good size & balance overall and displaying a good rounded head type, level bite, good chin. Ears still a little high oversized. Good copper eyes. Cobby body shape with limbs & tail to balance. Dense coat although a little overlength & soft in texture, well mingled colours.

BSH a 24 (F) 25. 9. 17.

A mature girl of good size & balance, overall CCFI - good round head type, level bite, good chin  
5. Neat, well set ears. Large round well set  
1/2 eyes but badly they are a definite shade  
of green which is not allowed in this colour.  
Good body, limbs & tail. Short dense fairly  
crisp coat showing deep blue markings on  
a blue fawn ground colour, as is often the  
way in this colour the pattern was rather  
indistinct.

BSH TIPPED ADULT - MALE

1st CC & B.O.B.

HOCKER'S - MAYAEPURE NICHOLAS WHITE

BSH no 12. (M) - 17. 4. 22

A well grown lad still a little unbalanced  
and needs to fill out but displaying  
a good rounded head shape, level bite  
good chin. Well set marginally  
oversized still. Green eyes of good set  
shape & size. Broad chest to body  
that is still a little heavy limbs &  
tail to balance. Short, dense, crisp  
coat showing even tipping.

BSH TIPPED ADULT - FEMALE

1st only CC WITHHELD  
KIRNAJA'S - IREMOOR ALMA  
BSH 1912 (F) 8.5.23.

A friendly girl who still looked like the kitten she is at present! Well balanced but needs to grow somewhat, overall good head shape, level bite, shallow chin. Well set ears of pleasing size. Eyes of good shape, set & size but still displays a rather muddy colour rather than green. Good body shape with hump & tail to balance. Dense coat that is a little long but nice texture. Very heavy tipping and considerable ghost marking across all areas which plainly showed she was a "spotty" underneath!!

BSH COLOURPOINTED ADULT

1st CC & B.O.B.  
RICHARDSON'S - C-ZEUS ML  
BSH 633 (M) 12.12.22.

A good looking youngster of good size & balance. Well rounded top of head, level bite, good chin. Well set ears still rather oversized. Blue eyes of good shape, set & size. Body still teenage range and needs to fill out, hump & tail to balance. Short, dense crisp coat that displayed

warm chocolate points contrasting with clear waxy body colour

cmk. Not a happy bunny and only allowed minimal handling. He is a good size and balanced but displaying a well rounded top of head, his bite appeared level, good chin. A little heavy in the brow and his nose leather is a little small. Neat well set ears. Pale green eyes. Good body. Coat is dense with crisp overtones in places but a little long - it could also have benefited from some more preparation.

B&H GOLDEN TIPPED ADULT - FEMALE

Young<sup>11</sup> lady who very upset by the

antics of her neighbour. but she did  
allow me just enough time to feel her  
weight a coat. Good overall head shape  
with gentle contours and rounded muzzle  
level. the benefit of dent on the bite, fine  
chin. Medium sized ears with broad base  
Gooseberry green almond shaped eyes displaying  
a worried look. Good body with limbs
