

A most enjoyable day at the GCCFI Show in Dublin. Many thanks to Ronnie for the invitation to judge and for the hospitality.

**AC BRITISH OR MANX CHAMPION**

GR JOHNSTONE'S CH QUENTAN CHERRY LAND BSH c M 22.07.15

Lovely tow plus years old boy with good overall balance. Head has full cheeks to a round face when viewed from the front with good breadth to skull and rounded top of head of good width the ears set far apart to follow the outer contours of the head, slightly oversized but rounded at the tips. In profile rounded brow, medium nose break, nose a trifle long but straight. Level bite and fair depth chin. Large and well open, yellow eyes set wide apart. Excellent size and weight to cobby body with a level back, low on legs and with a full, broad, deep chest. Short, strong legs and large rounded paws. Medium length tail is thicker at base and rounded at tip. Coat is fairly short, fairly dense, just the soft side of crisp in texture. Lilac British of nice and even, medium lilac. Nice natured.

RES GROVES-GEARY'S CH INDIANA MAGIC GARDEN\*PL BSH a M 28.02.16

Twenty months old boy with good muscle tone. Head has full cheeks and neat jowls to a round face with good breadth to skull and rounded top of head of good width between smallish ears set far apart to follow the outer contours of the head, rounded at the tips. In profile rounded brow, medium nose break and fairly short, straight, broad nose. Level bite and fair depth chin. Large and well open eyes set wide apart, orange in colour. Seasonal weight to cobbyish body with a level back, broad chest and proportionate length, well boned, legs and rounded paws. Good tail is thicker at base and rounded at tip. Coat is fairly short and dense with a softish rather than crisp texture. Blue British of fairly even medium blue. Nice natured.

**AC BRITISH, MANX OR SELKIRK REX GRAND PREMIER**

HIB KANE'S GR PR & INT PR MISSKIN GOODY GUMDROPS BSH p 33 MN 06.04.11

Really huge six plus years old boy with good muscle tone. Head has full cheeks to a fairly round face when viewed from the front with some jowls. Good breadth to skull and rounded top of head of good width between medium sized ears set far apart to follow the outer contours of the head, rounded at the tips. In profile rounding to brow, medium nose break, nose a bit long but straight and broad. Level bite but slightly shallow chin. Large and well open, pale blue coloured eyes set wide apart. Strong neck to weighty cobby body with a level back and full, broad, deep chest. Proportionate length, strong, well boned legs and large, rounded paws. Medium length tail is thicker at base and rounded at tip. Super coat is short, dense with a crisp texture. Fawn Colourpointed British of pale almost white body colour with pale bluey grey tone to points with the paws slightly paler, Lovely temperament.

**AC BURMESE GRAND CHAMPION**

HIB TAYLOR'S GR & INT CH BACKCHAT SUN CHARIOT BUR e F 03.05.12

Five years old lady of very good size and weight to medium build body with a well filled tummy. Slender legs and neat oval paws. Good tail for length and shape to balance body. Coat is fairly short and close lying and of very good texture. Cream Burmese of rather warm toned and dark cream but fairly even. Fair width to gently rounded top of head between goodly sized ears well set. In profile slightly elongated but rounded brow, acceptable nose break, nose a trifle long but straight. Level bite but slightly shallow chin. Eyes are set well

apart but I would prefer a fuller look to the shape, green in colour, had a better look when she was out of the pen and a bit cross.

**AC BURMESE CHAMPION**

GR LENIHAN'S CH COOMAKISTA FREEDOM FIGHTER BUR e M 15.02.16

Young male of twenty months of age. Very good size and weight to medium to longer length body with proportionate length shapely legs and oval paws. Gently tapering tail needs a fraction more length to balance body. Good coat is fairly short and close lying with a satin like texture. Cream Burmese of medium cream which is nice and even, faint broken necklace. Good width to gently rounded top of head between well set and shaped ears of goodly size. In profile slight rounding to brow, fair nose break, nose a bit long but straight. Untidy bite on lower line and shallow chin. Good size and shape to yellow eyes set well apart. Nice natured.

**AC BURMESE GRAND PREMIER MALE**

HIB SLUITERS'S GR PR BACKCHAT KAPPELLMEISTER BUR e MN 22.11.13

Nearly four years old boy of very good size and weight to longish body with proportionate length, shapely legs and oval paws. Well shaped tail needs a fraction more length to balance body. Coat is a trifle long but close lying and of very good texture, appeared to have a product glitter to it along his back. Cream Burmese of medium to darker cream showing a few smudges at the top of the legs. Good width to gently rounded top of head between slightly high set generous sized ears. Profile shows slight rounding to brow, fair nose break, nose a bit long but straight. Runny nose, level bite but shallow chin. Green chartreuse coloured eyes of fullish shape. Lovely temperament.

**AC BURMESE GRAND PREMIER FEMALE**

HIB SLUITERS'S GR PR ALDEBIZ MANEKI HOSHI BUR h FN 26.09.10

Not large but well balanced seven years old lady. Good weight for size with proportionate length, slender legs and neat oval paws. Good tail for length and shape. Coat is a trifle long but close lying and of very good texture. Chocolate Tortie Burmese of darkish chocolate prettily mingled with bright shades of red, showing barring on outer side of limbs. Fairly short blunt wedge. Good width to slightly rounded top of head between well set and shaped ears of good size. Level bite and fair depth chin. Large and lustrous pale yellow eyes well set. Sweet natured.

**AC BURMESE PREMIER**

GR TAYLOR'S INT PR BACKCHAT ROSENKAVALIER BUR d MN 22.11.13

Nearly four years old lady with good width to gently rounded top of head between well set and shaped ears of slightly generous size. In profile slight flattening to brow, fair nose break, nose a bit long but straight. Level but untidy bite and fair depth slightly receding chin. Good size and shape to pale chartreuse coloured eyes well set. Medium to longer length body of very good weight and muscle tone, proportionate length, shapely legs and neat oval paws. Fair length tail feels thickened at tip. Coat fairly short and close lying and excellent stain like texture. Red Burmese of nice bright red colour, faint marks on upper limbs, double broken necklaces. Sweet natured.

**BLACK SILVER TABBY ADULT**

CC & BOB WREN'S HOONIKATZ RUBY'S PRINCE BSH ns 22 M 10.06.16

Nicely balanced sixteen months old boy. Nice head has full cheeks to a round face with good breadth to skull and rounded top of head of good width between medium sized ears set far apart to follow the outer contours of the head, rounded at the tips. In profile rounded brow, medium nose break and fairly short, straight nose. Level bite but shallow chin. Round eyes set well apart, I would prefer them a trifle larger and with a greener tone to the colour. Body is still developing in stature, good weight for size with a level back and good breadth chest. Short, proportionate boned legs and rounded paws. Medium length tail is thicker at base and rounded at tip. Fairly short and dense coat, soft side of crisp in texture. Black Silver Tabby British of bright silver ground colour with a well defined black classic pattern. Nice facial markings. Sweet natured.

**RED/CREAM/TORTIE INC BLUE-CREAM/LILAC/CINNAMON/FAWN TORTIE TABBY ADULT**

CC & BOB JOHNSTONE'S WINNIFREDA CHERRY LAND BSH g F 12.07.16

Nice overall look to this fifteen months old girl. Nice head has full cheeks to a round face with good breadth to skull and rounded top of head of good width between medium sized ears set well apart to follow the outer contours of the head, rounded at the tips. In profile rounded brow, medium nose break and short, straight nose. Level bite and fair depth chin. Golden colour to eyes set wide apart but I would prefer them a trifle larger. Good size and weight to compact body with a level back, low on legs and with good breadth chest. Short, well boned legs and firm, rounded paws. Medium length tail is thicker at base and rounded at tip. Fairly short, good dense coat, soft side of crisp in texture. Blue-Cream British of medium to deeper blue intermingled with warmish toned cream. Lovely temperament.

**SMOKE NEUTER**

PC & BOB KANE'S TORRIDONIAN SPECTRE BSH ns MN 07.11.16

Very good size and weight with good muscle tone to this almost one year old boy. Head has full cheeks to a round face when viewed from the front with good breadth to skull and rounded top of head of good width between medium to larger sized ears set well apart, rounded at the tips. In profile rounded brow, medium nose break, nose a trifle long but straight. Level bite and firm, deep chin. Large, round, golden coloured eyes set wide apart. Cobby body with full, deep chest and proportionate length, strong legs and large, rounded paws. Medium length tail is thicker at base and rounded at tip. Coat is fairly short with good density, soft side of crisp in texture. Black Smoke showing virtually no breakthrough of the silver, smashing. Lovely temperament.

**TIPPED NEUTER**

PC & BOB MURPHY'S KAMASAKI FURRY MCPURRY BSH n 12 FN 03.04.16

Eighteen months old girl with a sweet face. Head has full cheeks to a round face with good breadth to skull and rounded top of head of good width between neatish ears set far apart to follow the outer contours of the head, small to medium in size and rounded at the tips. In profile rounded brow, medium nose break and fairly short, straight nose. Level bite but

slightly shallow chin. Large and well open eyes set wide apart, deep green in colour. Nice size and weight to compact body, straight back and good breadth chest. Short, proportionate boned legs and rounded paws. Good tail is thicker at base and rounded at tip. Short, dense coat with a crisp texture. Black Tipped British of silvery white base colour with fairly even black tipping, more intense down spine and tail. Sweet natured.

**ASIAN (TIFFANIE) NEUTER**

BOB BOWLES'S GR PR ZARACATZ ZIGGY POP ALH e 11 MN 15.05.12

Excellent size and weight to good length body with good muscle tone to this five plus years old boy. Well rounded chest and straight back. Well boned, proportionate length legs and oval paws. Good length and shape to slightly tapering tail with a full plume to the fur. Well presented, soft textured coat could just do with a touch more length. Cream Shaded Tiffanie of rather deep toned colour well down hair shaft. Good width to cheek bones and a blunt muzzle. Good width to slightly rounded top of head between slightly low set, large ears. In profile gently rounded brow, medium nose break, nose a bit long but straight. Level bite but shallow chin. Eyes are large and lustrous and set well apart, pale yellow in colour. Nice natured.

**BROWN BURMESE ADULT**

CC & BOB O'SULLIVAN'S ALBA REGIA POLOSKA BUR n M 19.06.16

Smart overall look to this sixteen months old boy. Good size and weight to medium sized body, still filling out and maturing. Proportionate legs and neat oval paws. Good length and shape to tail, balances body length. Coat is fairly short and close lying and of excellent satin like texture. Brown Burmese of very dark seal brown, to me almost verging on black. Slightly more rounded than wedge shape to head more typical of European Burmese. Good width to rounded top of head between well set and shaped ears of medium size. Profile shows slightly heavily rounded brow, strong nose break, nose a trifle long but straight. Level bite and fair depth chin. Good size and shape to yellow eyes well set. Lovely temperament.

**RED BURMESE ADULT**

CC & BOB LENIHAN'S TIJANA OF PAMUK CASTLE BUR d F 13.05.16

Sweet girl of seventeen months of age. Not very big almost petite but well balanced. Proportionate length slim legs and neat oval paws. Good tail for length and shape. Coat is fairly short, close lying and of good texture. Red Burmese of very pale red with colour starting to develop around the body. Some marks on all limbs. Good width to gently rounded top of head, good width between medium sized ears of good shape. In profile slight rounding to brow, medium nose break, nose a trifle long but straight. Level bite but slightly shallow chin. Yellow eyes of good size and shape well set. Sweet natured.

**CHOCOLATE BURMESE KITTEN**

1<sup>ST</sup> & BOB MASON'S COONMAKISTA OISINOTIR NANOG BUR b MN 11.03.17

Very well grown seven months old boy whose body has outgrown his head at present so spoiling his overall balance. Weighty medium to longer length body with proportionate length, well boned legs and large oval paws. Good length to thickish tail. Coat is fairly short and close lying and of good texture. Chocolate Burmese of slightly cool toned, pale chocolate with darker contrast masking to face, ears and tail, paws warmer toned. Good width to gently rounded top of head between well set and shaped but largish ears. In Profile slight rounding to brow, fair nose break, nose a bit long but straight. Level bite but shallow chin. Good size and shape to yellow eyes well set and with a good expression. Lovely temperament.

**RED BURMESE KITTEN**

1<sup>ST</sup> & BOB LENIHAN'S COOMAKISTA ROSIE HACKETT BUR d F 18.03.17

Seven months old girl who looked better out of her pen than in it. Good size and weight for age with a fir, feel. Proportionate length slim legs and neat oval paws. Slightly tapering tail of good length. Coat is fairly short and close lying with a slightly softish texture. Red Burmese of very pale red, broken necklace. Good width to gently rounded top of head between well set and shaped ears of mediumish size. When viewed from the front the muzzle looks a bit fine at present. In profile slight rounding to brow, good nose break, nose a bit long but straight. Level bite but slightly shallow chin. Good size and shape to yellow eyes, set well apart. Nice natured.
