Judge: Aimee Keller

- Many thanks to the Show manager Carmel Byrne for asking to Judge the Household Pets and Pedigree pets. Also many thanks to Co Judge Louise Garcia and steward Andrea O'Keeffe in helping me on the day.

- **G598 Non-Pedigree Pet Shorthair Self (Single Colour) Mrs. E McCarthy, Gorm**

On first appearance the pen was beautifully decorated and the mustard colour blanket really showed off the Blue/Grey colour of the coat. This boy was a little shy coming out of his pen and maybe slightly overwhelmed with the goings on around him. He had a spotless coat and it was very soft and silky, when the sun hit it there was nearly a silver shimmer. He had beautiful big eyes that were lovely and clear. He was a lovely solid build and received a well-deserved 1st place & BOC

- **G605 Pedigree Pet Longhair/Semi Longhair red or any tabby Mrs B O'Callaghan Maximus**

Unfortunally not in the best form today and was reluctant to leave the security of the holding pen, from a standing view he was a nice big boy with a very full coat, he had nice bright eyes and was very alert with presented with the tickle stick. Overall grooming for me was disappointing, his coat looked dull and lacked attention along with his ears and around his eyes.
