

GCCFI Supreme Show

15 October 2023

Judge: Perri Mansaray

I would like to thank Ronnie, Carmel and the Committee for the very kind invitation to judge again at the Irish Supreme, rather short notice, as they had a big entry and I was happy to help out. I had some super quality exhibits, and for their kind hospitality. My very grateful thanks to my steward Claudia Wagner, who kindly agreed to steward for me again. She handles the cats with such care and diligence and is excellent company. Thanks for putting up with me again, only a few short weeks after Cork!!

British Blue Kitten Male

1 & BOB KISIELIENE'S AMBERKISS TEDDY (BSH a M 18.3.23) 6 month old chap well grown for his age. Medium ears with nice rounded tips which fit nicely into his head contours. Round face with full cheeks developing nicely. Large, round, well opened eyes, orange in colour, with a gentle expression. Short, broad, straight nose, firm chin, level bite. He has a medium cobby body with a short level back, set low on well boned legs and rounded paws. His tail is thick at the base, rounded tip, in proportion to his body. His coat is short with good density, paling very slightly to the roots. Just a tad soft in texture. Even medium blue in colour. Super purring nature and a joy to judge.

British Blue Kitten Female

1st KIRNAJA'S FURRYBLISSLOVE MONTY QUEEN (BSH a F 20.2.23) 7 month old pretty girl slightly small for her age. Small ears with rounded tips nicely fitting into her head contours. Large round well opened eyes, which are orange in colour. Round face, cheeks developing well. Nicely rounded forehead. She has a very short, straight nose, with a very prominent nose break. Firm chin, level bite. Cobby body with a short level back set on well boned legs and round paws. Her tail is thick at the base, rounded tip, balances. Her coat is slightly long, dense but is a tad soft in texture. Medium blue in colour, paling to the roots. Sweet natured girl. Well presented.

British Chocolate Kitten

1 & BOB SLABODICA'S IREMOOBR BOUNTY (BSH b F 23.6.23) 3 month old purring poppet! What a sweetheart. Small ears with rounded tips fitting nicely into her head contours. Round head, cheeks still to develop. Rounded forehead, short, straight, broad nose, firm chin, level bite. Large, round, well opened eyes, set wide apart, deep gold in colour. Cobby body with a short level back, well boned legs and rounded paws. Her tail is thick at the base, rounded tip, and in proportion to her body. Her coat is long and still rather kittenish, but has some density but is soft in texture. Warm rich chocolate which pales at the roots. Faint tabby pattern still evident. Super temperament.

British Cinnamon, Fawn Kitten

1 & BOB KEHOE'S MINNIE OF LAST HOPE (BSH p F 19.2.23) 7 month old young lady of good type. She really does have everything in place. I think I judged her in a side class in Cork. Medium sized ears with nicely rounded tips, fitting nicely into her head contours. Well-rounded head, with good full cheeks, even at this young age. She has large, round, well opened eyes, set wide apart, deep gold in colour. Rounded forehead, short, broad, straight nose, firm chin, level bite. Cobby body with a short level back, and of good weight for her age, set on well boned legs, and large rounded paws. Her tail is thick at the base, rounded tip, in proportion to her body. Her coat is short, dense and crisp. The colour pales slightly at the roots. Fabulous colour – warm rosy mushroom. Lovely girl with a super temperament to boot and a joy to judge. I see she went Best British Kitten – well deserved.

British Lilac Kitten

1 & BOB SLABODICA'S IREMOOBR BEAUTIFUL PEPPA (BSH c F 23.6.23) Another 3 month old baby, litter sister to the chocolate girl above. Small ears with nicely rounded tips, fitting into her head contours. Round face, fine in the muzzle as yet with no cheeks. Round, large eyes, which are set wide apart, pale orange in colour. Rounded forehead, short, broad, straight nose, receding chin, level bite. Cobby body, with a short level back, set on well boned legs. Good weight for her age. Rounded paws. Her tail is broad at the base, rounded tip, in proportion to her body. Her coat is long and still kittenish, with some density but a tad soft in texture. Pale even lilac with pinkish hue in day light. A real cutie with a sweet temperament.

British Cream Kitten

1 & BOB HILL'S ASTRALCHARM HONEY-BOO-BOO (BSH e F 27.2.23) 7 month old well grown young lady. Medium sized ears, rounded tips, set far apart and fitting into her head contours. Round head, cheeks developing nicely. Large round, well opened eyes, expressive orange in colour. Rounded forehead, short broad straight nose, firm chin, level bite. Cobby body with a short level back set on well boned legs and rounded paws. Chest and rump well rounded. Her tail is thick at the base, rounded tip, in proportion to her body. Her coat is short, dense, and crisp in texture. Even pale toned cream with a ghost tabby spotted pattern. Super natured lass and a joy to judge.

British Blue/Lilac/Fawn Tortie and White Kitten

1 & BOB HILL'S ASTRALCHARM HARPER-PHOENIX (BSH g 03 F 7.3.23) Very attractive 7 month old lass. Small ears with rounded tips, fitting nicely into her head contours. Rounded head, full cheeks developing nicely. Large, round, well opened eyes, orange in colour. Rounded forehead. Short, broad, straight nose, firm chin, level bite. Cobby body of good weight for her age and short level back, set on well boned legs and rounded paws. Her coat is a little long with good density but a tad soft in texture. Patches of medium blue, slightly hot cream and white. Pales to the roots slightly on the blue patches. 1/3rd white with white on her face, neck and collar, white front legs and back white toes, white tummy. Sweet natured young lady who was a joy to handle.

British Bi-Colour Kitten Male

1st Withheld

2nd COSMA'S MITZURO TITI GRELUSH (BSH a 03 M 10.5.23) 5 month old young man of good size and weight for his age. Medium sized ears with rounded tips, fitting nicely into his head contours. Round head with cheeks developing nicely. Rounded forehead, short, broad, straight nose, very firm chin, confirming my suspicions that his bite is undershot, and his lower jaw is slightly twisted. This was confirmed by the Duty Vet. Large round, well opened eyes, set wide apart, orange in colour. Cobby body of good weight, set on well boned legs, rounded paws. His tail is thick at the base, rounded tip, in proportion to his body. More than 1/3rd white, with white on his face, neck, collar, legs and tummy, but unfortunately, he has a white tail tip, when the tail should be fully coloured. Patches of medium blue, paling to the roots, some density to his coat, but is a tad soft in texture. Sweet natured boy.

3 COSMA'S MITZURO BRASUS COTISO (BSH a 03 M 10.5.23) 5 month old litter brother to above boy. Medium sized ears, rounded tips, fitting nicely into his head contours. Round head with cheeks still developing. Rounded forehead, short, broad, straight nose, firm chin, but his bite is marginally overshot, again confirmed by the Duty Vet. Large, round, well opened eyes, set wide apart, muddy orange in colour. Cobby body set on well boned legs and rounded paws. Straight level back. His tail is thick at the base, rounded tip, slightly short in length. His coat is long, some density to it, but is soft in texture. Medium blue paling to the roots. He is more than 1/3rd white with white on his face, tops of his ears are white, neck, collar, legs and tummy, but he too, also has a white tail tip, when the tail should be fully coloured. Sweet natured boy.

British Bicolour Kitten Female

1 & BOB STEELE'S LUXDON OX EYE DAISY (BSH a 03 F 10.6.23) 4 month old young lady of good type. Medium sized ears with rounded tips, fitting nicely into her head contours. Round face with full cheeks developing nicely. Large, round, well opened eyes, orange in colour. Rounded forehead, short, broad, straight nose with a firm chin and a level bite. Cobby body of good weight for her age, short level back, set on well boned legs, rounded paws. Her tail has a rounded tip, thick at the base, and is in proportion to her body. Her coat is short and dense but a tad soft in texture. She has more than 1/3rd white with white on her face, neck, collar and white legs and tummy. Medium blue. Sweet natured lass.

British Van Pattern or Harlequin Kitten

1 & BOB HILL'S ADMIRARI ICE CREAM VAN (BSH e 01 62 M 22.4.23) What a great name!! 5 month old well grown handsome lad of good type. Medium sized ears, rounded tips, fitting nicely into his head contours. Rounded head with full cheeks developing well already. His eyes are large and round, well opened, orange in colour. Rounded forehead, broad, short, straight, nose, firm chin, level bite. Cobby body of good weight for his age. Short level back and depth of chest and rump already developing, set on well boned legs. Huge round paws. His tail is thick at the base, rounded tip, in proportion to his body. His coat is short, dense and crisp. Slightly hot cream, with rings on his tail. Colour coming slightly below the level of his eye on the left. Small spot of colour on his chin. Lovely boy! A joy to judge.

British Tipped Kitten

1 & BOB KIMAJA'S IREMOOBR ALMA (BSH ns 12 F 8.5.23) 5 month old young lass, again quite small for her age. Small ears, rounded tips, fitting nicely into her head contours. Rounded head, short, broad, straight nose, firm chin, level bite. Rounded forehead. Large, round, well opened eyes, set wide apart, pale green in colour. Super eye liner. Her cheeks are still developing. Small spot of tarnish on her chin along with acne! Cobby body set on good boning to her legs, rounded paws. Her tail is thick at the base, rounded tip, in proportion to her body. Slightly long coat with density, but is a tad soft in texture. Her coat is evenly tipped, colour being restricted to the end of the hair shaft. Good silver undercoat. Poppet.

British Colourpointed (inc. Cinnamon/Fawn) Kitten

1 & BOB SLABODICA'S IREMOOBR BECKY (BSH c 33 F 23.6.23) 3 month old cute baby, attracting a lot of attention! Small ears, rounded tips, fitting nicely into her head contours. Nicely rounded head, cheeks still developing. Rounded forehead. Short, broad, straight nose, firm chin, level bite. Her eyes are large, round, well opened and set wide apart. They are still changing in colour but do have a trace of pale blue. Cobby body of good weight set on well boned leg and straight level back. Rounded paws. Her tail has a rounded tip, thick at the base, and in proportion to her body. Her coat is short, dense and crispness is developing well. Nicely matching lilac points on her mask, ears, legs and tail. Sweet natured young lady and a joy to judge.

Cream and White Bicolour British Longhair

1 & BOB STEELE'S ADMIRARI IDOL (BLH e 03 M 15.5.23) 5 month old handsome chap. Small ears, with rounded tips fitting into his head contours. Round head with his cheeks still developing. Large, round, well opened eyes, set wide apart, orange in colour. Rounded forehead, moderately short, broad, straight nose, firm chin, level bite. Cobby body with a short level back, set on well boned legs and rounded paws. His tail is thick at the base and of medium length with a rounded tip. Semi long coat which is straight and dense with resilience. Ear tufts and ruff present. Nice pale cream and more than 1/3rd white. Sweet natured young man.

Cornish Rex Kitten

1 & BOB HOWARD'S IREMOOFO SHES THE FIRST WAVE (CRX f 03 F 27.5.23) I had this young lady recently in Cork and she is coming along well. Now 4 months of age and well grown. A chatty missy! Large ears, correctly set rather high on her head, wide at the base, rounded tips. Medium wedge with lovely high cheekbones, slightly longer than wide, with a rounded muzzle. Flat skull, straight nose, firm chin, level bite. Muscular firm body, of good weight. Slender legs and neat oval paws. Her tail is long and tapering, balances. She has a superb coat – short, dense and silken in texture. Excellent rexing to her body, legs and tail. You can feel the waves to her coat. Sweet playful lass and a joy to judge!

Devon Rex Kitten

1 & BOB O'CONCHOBHAIR & WOOD'S DADDYO JANDSOME JULIO (DRX n 03 M 17.6.23) 3 month old baby boy. Large ears which are wide at the base, set a fraction high at present. Short broad wedge with nice high cheekbones. Strong muzzle with a firm chin and level bite. Well defined whisker break. Flat skull, short nose with a good stop. His eyes are large and oval shaped, set wide apart, pale chartreuse in colour. Muscular firm body of good weight for his age. Slender legs and oval paws. Dirty feet and dirty nose! - needs more show prep! His tail is long and tapering, balances. His coat is short and soft. Has a line of guard hairs running down his spine. He is covered with down but is lacking rexing at present. Sweet natured lad.

Sphynx Kitten Male

1 KORNAT'S MAOL BLOOM OF DRAGON FIRE (SPH e M 6.5.23) 5 month old well grown lad. Large ears which are wide open at the base, rounded tips, well set. Modified wedge with good, rounded contours, slightly longer than wide with prominent cheekbones and distinctive whisker breaks and whisker pads. Well rounded muzzle. Flat skull, slight break, receding chin, level bite. His eyes are large and lemon shaped, pale green in colour. Well muscled body with rounded chest and rump. Slender legs and lovely slender toes giving the correct appearance of walking on cushions. Long slender tail, balances. Super chamois feel to his coat. Rather grubby feet, needs washing! Show prep! Super temperament and easy to handle.

Sphynx Kitten Female

1 & BOB KORNAT'S MAOL BEA LA VIDA LOCA (SPH f F 6.5.23) Litter sister to boy above. 5-month-old typical tortie wriggler – she had 101 legs!! Large ears which are wide open at the base, rounded tips, well set. Modified wedge with good, rounded contours, slightly longer than wide. Nice prominent cheekbones and distinctive whisker break and pads. Rounded muzzle. Flat skull, slight nose break, receding chin, level bite. Her eyes are large and lemon shaped, pale green in colour. Well-muscled firm body of good weight with a well-rounded chest and rump. She has slender legs and long slender toes, giving the correct appearance of walking on cushions. Long slender tail, balances. Good chamois feel to her coat. Acceptable down on her nose and backs of her ears. Lovely natured girl. Well presented.

Egyptian Mau Kitten

1 & BOB ERVINE'S MOASMAU'S GRETA GARBO (MAU ns 24 F 25.1.23) 8 month old girl with a stunning pattern! Large ears which are broad at the base, pointed and flared and are set well back on her head. They are cupped forward and alert. Slightly rounded wedge of medium length. Gentle contour in profile with a gently rounded muzzle. Firm chin and a level bite. Her eyes are rounded almond in shape, set straight beneath a level brow giving the correct worried expression. Would prefer them to be more gooseberry green in colour, but this is acceptable at her age. Muscular firm body of good weight. Slender legs and oval paws with good barring to legs. Her tail is thick at the base, of medium length and tapers. Her tail is well banded and has a dark tip. Her coat is of medium length, dense and resilient, with a lustrous sheen. M on her forehead. Fabulous pattern with excellent black spotting giving an excellent contrast to her silver undercoat. She has a well broken spine line and broken necklaces. Fabulous eyeliner and ribbons around her cheeks. Tiny bit of tarnish to her nose only. One of the best patterned Mau's I have judged in a long time – super girl and a joy to judge! I see she went Supreme Kitten – very well deserved and huge congratulations!
