

A real honour to be invited to the show. My thanks to Carmel and the committee for the kind invitation. Claudia Wagnor once again stewarded for me with care and attention to the cats and myself. Thank you so much.

Silver Bengal Pre-Champion

1stCC &BoB Fleming's HOLLYANAS BEYONDTHEMOON OF LYNAVIDS, (BEN ns 24) M 06.09.2024

A very well grown Silver Bengal Boy. He has a broad head with a strong wedge. His muzzle is a fraction long for perfect balance. Large rounded oval eyes well set and a clear green in colour. Good profile, chin falls away a little but the bite is level. Very strong muscular neck, body of very good length, very powerful with super muscle, tail in proportion, strong balanced legs. A very clear pattern of rosettes, some linked, arrowheads and single spots. Clear silver body but some tarnishing on face and legs detracts but not too seriously. Handled well.

Non-Pedigree Pet Shorthair Tabby or Tabby & White (except Ginger or Tortie)

1st MC & BoC- Weldon's YANKEL, (NPS n 22) MN 01.09.2022

Shorthair brown tabby. A very shy, large boy, a proper garden cat Once he relaxed, he was keen to come out. Distinct Mackerel tabby with a solid black back. Good contrast to the bright white spot at the throat. Large green eyes Very well prepared with a soft and silky coat. Hard to get him to go back in his pen at the end, A real pleasure to judge.

Non-Pedigree Pet Shorthair Ginger cat of any Tabby, Tortie or Tortie Tabby pattern

1st MC & BoC Hughes' RUBY BUTTON, (NPS f 09) FN 18.07.2016

Shorthaired tortie and white girl who was very upset and did not want to come out. Well mingled tortie on the body striking Red /black divide on her face. Striking eyebrows and long white whiskers, white paws and bib. Not a happy camper.

Non-Pedigree Pet Shorthair Kitten Male

1st & BoC - Quinn's NUADA, (NPS ns 22) M 17.04.2025

Silver Classic Tabby shorthair male kitten. Well prepared boy, happy to come out but did prefer his warm bed, I didn't blame him! Expressive hazel, with green rimed eyes. Crisp coat really well prepared. I would have described him more a black smoke with an underlying mackerel tabby pattern Handled well out of the pen.

Non-Pedigree Pet Shorthair Kitten Female

1st - van Wyk's WHISKEY, (NPS a) F 08.08.2025

A shy blue shorthaired girl. A broad head with small neat ears. Dark hazel eyes. Well groomed coat, short and soft. Once returned to the pen she became curious and wanted to come back out. A shy but friendly girl.

2nd O'Connell's MUIRNIN, (NPS n 22) F 01.05.2025

Brown Classic tabby girl. Very sorry to report that she did not wish to have anything to do with my steward or myself. A real shame as she was a pretty girl. White blaze and bib with four white paws. More of a tortie tabby and white. So sorry she would not come out and be handled.

AC Pedigree Pet Master Cat (Grand Class)

1st GMC French's MC STARBUG, (PPS n 25 31) MN 31.01.2024

Brown ticked tabby with BCR pedigree pet. Medium sized boy, very unusual colour and conformation in the pedigree pet section. A little shy. Large green eyes, short fine coat, well ticked large white bib. Very shy but did handle.

Pedigree Pet Longhair/Semi-Longhair Self (Single colour) with or without White Male

1st MC & BoC Purcell's UTOPIA, (PPL n 03) MN 08.03.2021

Black and white Longhair Pedigree Pet. Very upset by a very angry neighbour. Bright white blaze leading to a white bib, he has matching white feet. Large blue eyes. Long soft coat. His most outstanding feature are the long streamers that are part of his ear furnishings. His neighbour had made him very reluctant to come out, so he was largely judged in the pen.

Pedigree Pet Longhair/Semi-Longhair Self (Single colour) with or without White Female

1st MC McNeely's MIDI, (PPL a) FN 18.11.2017

Blue Longhaired Pedigree Pet. A large blue girl, sadly let down by rather poor grooming. Long whiskers that are growing in all directions, bright green eyes. Relaxed and handled well. A shame about the preparation.

Pedigree Pet Longhair/Semi-Longhair Red cat of any Tabby, Tortie or Tortie Tabby pattern

1st MC & BoC Collins' OPII, (PPL g) FN 01.01.2024

A very attractive Blue Tortie and white longhaired girl. Large expressive green eyes. White paws and bib, long white whiskers. Tail has a slight brush. She has a very inquiring mind and wanted to know everything that was going on. Well prepared and handled well.

Pedigree Pet Longhair/Semi-Longhair Any Other Colour or Pattern (Ticked, Tipped, Smoke, Pointed)

1st MC & BoC Collins' SALLY ANNE, (PPL n 33) FN 28.05.2019

Seal Pointed longhair Pedigree Pet. What a STAR!!! Walked out and demanded attention, my kind of cat. Colour point with deep blue eyes, very striking. Well prepared and the best temperament in the show.
