

GCCFI Supreme Show 15/10/2023

Mr Wayne Vessey

Ronnie, Gloria, Carmel, Colm, Justin and the catering team worked so hard to put on the Irish Supreme. The friendly, happy atmosphere was a credit to them, and their kindness throughout the weekend was very much appreciated. Well done to all of you on a great event!....I was lucky to have Annette Howard steward for me, and a super job she did too, many thanks again Annette.

British Blue/Black Grand/Hibernian/Invictus Champion

Tara GC KISIELIENE'S GrCh JUST ENJOY NAVAHO (BSH a, M, 26/11/2020)

A male of medium size and build with very good overall proportions. He has a round skull with medium sized well placed ears. He has round open eyes of a clear gold showing a good, open expression. His cheeks are filling out, the muzzle could be a tad stronger. Good body weight and strong limbs. The balanced tail needs attention for stud tail. The short coat has good texture but presently lacking some density, it is a medium shade of blue with some silvering and quite sound. A really composed lad with an excellent temperament.

British Blue Pre-Champion Male

1st & CC KIRNAJA'S FURRYBLISSLOVE ARCHIP (BSH a, M, 10/05/2022)

A medium sized, adolescent framed young male. He has a good top of head. The ears are slightly larger and hooded. He has a heavier brow and a short straight nose, his cheeks are developing, the chin is to become firmer. He has round, expressive eyes of a light gold. He has a good body weight and a balanced tail. His coat is standard length with a developing crispness, a medium blue in tone with a little silvering but quite sound. He has an easy and affable nature

British Blue Pre-Champion Female

1st CC & BOB KEHOE'S FEDERICA OF LAST HOPE (BSH a, F, 04/09/2022)

This is a medium sized, typical and well balanced female. She has a round head with medium sized ears. The tufts at the tips needing attention. Her expression is excellent, confident and open, the large round eyes are well placed and a deep copper in colour. The body is solid, her limbs straight and the paws firm. She has a balanced tail with a rounded tip. Her coat is longer than standard but with very good density, a lighter blue in colour with some silvering and a little paler to the roots. Very good temperament

2 KISIELIENE'S TOFIFI GERULIS (BSH a, F, 15/05/2020)

This is a medium sized girl with larger, broad based ears. She has good cheek development, prominent chin. Her eyes are big, round and a bright shade of even copper, she uses them really well. Her bite is undershot. She has good body proportions and short limbs with firm paws. Balanced tail. Her coat is short and quite dense, a medium tone of blue with some silvering and good soundness. Sweet natured.

British Black Pre-Champion

1st – CC N/A KIRNAJA'S FURRYBLISSLOVE ARIA (BSH n, F, 07/01/2023)

A junior female with an adolescent frame. Good type. She has a round head with developing muzzle and cheeks, the ears are slightly large and broad based. Her expression is open and confident, the large eyes, round and well placed with a bright copper pigment to same. She has a good profile where the chin could be a little firmer. Very good body weight and solidity. Her coat is of standard length with good density and a developing crispness. She is an evenly toned black with good soundness but quite a few white hairs interspersed today I am afraid which precluded the certificate. Super temperament.

AOC Self British Grand/Hibernian/Invictus Champion

TaraGC DEALEY & DEALEY'S Sup Tara HibGrCh&Int GrCh ALIMURS BOOMER (BSH c, M, 10/06/2017)

Big, strong, substantial. A powerful and very masculine male with excellent head type and neat ears, full cheeks and rounded muzzle lines. He has a very pleasing profile but the chin could be firmer. He has round, open eyes of a good size and position with an open expression. They are a light but evenly toned gold in colour. He has very good body proportions, strong straight limbs and firm paws, He has a broad chest and deep flanks. The tail is slightly short for balance and there is a hint of stud tail present. His coat is thick, dense and plush, an even sound pinky lilac in tone. He has very good composure and handled well.

2 KISIELIENE'S GrCh GARFIELD OF GERULIS*LT (BSH b, M, 25/05/2017)

A male of medium size and build with a round head and medium sized, well placed ears. He has good cheek development and rounded muzzle lines. He has a rounded forehead, short bump to the medium length nose, his chin could be a tad firmer. The bite is slightly uneven. He has straight limbs, firm paws and a strong, muscled body. Balanced tail. His coat is a rich chocolate with some paling to the roots, it is short but presently needs to regain some density and texture. Very good temperament

British Chocolate Male

BOB KISIELIENE'S GrCh GARFIELD OF GERULIS*LT (BSH b, M, 25/05/2017)

British Chocolate Female

1st – CC n/a HEALY'S FURRYBLISSLOVE ASOL (BSH b, F, 07/01/2023)

This is a medium sized junior female with rich, even chocolate pigmentation showing good soundness. Her head is developing in terms of cheeks and muzzle, the slightly larger ears need a little attention to the tufts. She has large, round orange eyes which have a slight green rim at the moment, which was the reason for the NA today. She has a good weight to the body, strong limbs and a balanced tail. Her coat is of standard length, with a developing crispness. A strong character but handled well.

British Lilac Champion

GC KEHOE'S Ch OSCAR SAMANTE-BOHEMIA (BSH c, M, 17/04/2022)

Adolescent framed young male. He has a round head with well placed medium sized ears, his cheeks and muzzle are developing. Good profile where the chin could be a little firmer. He has round, well positioned large eyes of a lighter copper. He shows an open and typical expression. He has a slightly longer, but strong body and a balanced tail with a rounded tip. His coat is of standard length but presently showing the effects of summer as regards density. He is a mid toned lilac, with some paling to the roots and darker pigmentation to the tail. Handles well.

BOB DEALEY & DEALEY'S Sup Tara HibGrCh&Int GrCh ALIMURS BOOMER (BSH c, M, 10/06/2017)

British Black / Chocolate / Cinnamon Tortie Pre-Champion

1st CC & BOB STEELE'S Ch LUXDON MARVEL (BSH h, F, 06/06/2022)

Attractive, typical and very well proportioned female. She has a round head with chubby cheeks. Her ears are neat and well positioned. She has big, round Golden eyes, ideally placed and full of expression with an open and very typical British look. She has very good body toning and a broad chest, short limbs and firm paws, thick balanced tail with a rounded tip. She has rich chocolate pigmentation interspersed with lighter reds showing a good level of both mingling and soundness. Her coat is quite thick, dense and with a developing crispness. Beautifully presented and with an excellent temperament. She was certainly a close contender for BOV Adult, a stylish girl who just needs natural maturity to fulfill her potential.

British Blue-Cream / Lilac Tortie / Fawn Tortie Champion

1st CC n/a KISIELIENE'S Ch AMBERKISS O'LIALIA (BSH g, F, 28/10/2020)

This is a girl of medium size. She has a good top of head with well placed, medium sized ears. Her expression is open and confident. The large round eyes are a lighter shade of gold but unfortunately they have a slight green rim. She has a rounded brow and a short broad nose, her chin could be firmer and she has a slight muzzle pinch. The bite is uneven. She has good body proportions with straight limbs, firm paws and a balanced tail. Her coat is of standard length but a little short of undercoat at the moment, She has a few patches but is quite well mingled with tones of a pale blue and lighter creams showing good soundness. A sweet natured girl.

British Blue-Cream / Lilac Tortie / Fawn Tortie Pre-Champion

1st & CC & BOB O'NEILL'S ACCLAIM ZELDA (BSH g, F, 17/11/2022)

A female of good size and substance. Very good British type with a well developed, round head. She has slightly larger, but well placed ears. Her profile is pleasing but the chin could be a little bit firmer. She has big, round and well positioned eyes of an even and copper tone, and shows an open and confident expression. She has a compact body, with strong limbs and firm paws. The tail has a rounded tip and balances to her body. Her coat is slightly over standard length but with a very good texture, she is a well mingled blend of mid blue and lighter cream. This girl has a super temperament for the show bench and was well presented.

British Van Pattern or Harlequin Pre-Champion

1st CC n/a WANG'S IVANHOE BLUEMIS (BSH a 01 62, M, 24/07/2020)

Big, powerful, masculine male with excellent substance. He has very good head type with neat ears, full cheeks and an open confident expression, the eyes are a good size, round and a good tone of copper. His bite is a tad twisted and is undershot. He shows some staining to the chin and also the rear limbs in particular. His markings are good with the left side of his face at the limits. The coat is short, dense and very well textured. He has a very good temperament and handled well.

British Golden Tipped Champion

1st Gr n/a KIRNAJA'S Ch FLASH'S TOMAS (BSH ny 12, M, 16/03/2021)

Medium sized male with a round head and neat ears, the cheeks and muzzle are developing, He has big, round, green eyes and an open expression. The forehead rounds to a short nose, the chin could be firmer. His bite is undershot. He has good body proportions, short limbs and a balanced tail. His ground is richly pigmented and the tipping is even. His coat is presently lacking a little undercoat and is slightly over standard length. An even tempered lad who showed well.

British Golden Tipped Pre-Champion Female

1st & CC & BOB KIRNAJA'S FURRYBLISSLOVE CHERRY (BSH ny 12, F, 08/09/2022)

Attractive young female of a good medium size and build. She has a round head with developing cheeks and muzzle. She has well placed, slightly broad based ears, the tufts at the tips need attention. She has big, green eyes with a clear liner they are round and full of expression. Her body proportions are good and she has straight limbs with firm, round paws, balanced tail. She has a slightly longer, but dense coat with a pleasing texture. This girl has even tipping over a rich apricot ground. Shown in very good condition and well presented. She certainly has a strong character but handled well.

British Golden Tipped Pre-Champion Male

1st CC n/a WANG'S NICEDAY MILO (BLH ny 12 82 v, M, 07/04/2022)

Medium sized male with good balance to the head, well placed neat ears. He has big, round eyes and shows a lot of expression, the green pigmentation to same is just that little bit darker in the centre. He shows a good profile but the chin could be a tad firmer. His bite is undershot. He has good body proportions and a balanced tail with a rounded tip. Very good body weight and solidity. Presently out of coat, it has also been a little over prepared and stripped out, He has a well pigmented ground with even tipping. This lad has a super nature and handled well.

British Colourpointed (inc Cinnamon / Fawn) Pre-Champion

1st CC & BOB RICHARDSON'S C-ZEUS ML (BSH b 33, M, 12/12/2022)

Immediately impressive. This is a well grown, substantial, masculine and very typical young British male. He has a round head, with medium sized, slightly broad based ears. Chubby cheeks. His eyes are a clear blue, big, round and open, they show a confident expression. He is pleasing in profile but the chin could be that bit firmer. The rich chocolate points are clearly defined against a pristine, clear ivory ground. His coat is almost standard length, dense and with a very good texture. This is a really stylish young male whose type, temperament and superb presentation had him as a serious contender for BOV.

British Longhair Champion

GC & BOB PAULAUSKIENE'S Ch JUDITA'S BRITISH APOLLO (BLH ny 12, M, 28/05/2022)

Medium sized, adolescent framed but very typical Longhaired male with very good head type and neat ears. He is also very good in profile but the chin could be a little firmer. The lighter green eyes are big, round and well positioned. His expression is open. He has good body proportions and short limbs. The paws are round and firm. Balanced tail with a rounded tip. He shows good breadth across the chest and rump. He is not quite in full coat at the moment and presently lacking a little resilience to the texture. He was a little tense today but was easy to handle.

British Longhair Pre-Champion Female

1st CC n/a KIRNAJA'S FURRYBLISSLOVE ALISIA (BLH ny 25, F, 04/12/2022)

This is a stylish, well balanced and beautifully proportioned young female. She has super head type with well placed neat ears. Open confident expression, the big green eyes showing a clear liner. Very good in profile where the chin could be firmer. Her bite is undershot. She has very good solidity, sturdy limbs and firm paws, the tail has a rounded tip and balances to the body. Her semi long coat was plush and has excellent density. She has even tipping over a bright Apricot ground. This girl was presented in first rate condition, and had an outgoing, friendly temperament.
