

## **GCCFI SHOW**

30<sup>TH</sup> OCTOBER 2022

MRS SANDRA MOORE

Many thanks to show manager Gloria and of course Carmel for the invitation to this Southern Irish show on the outskirts of Dublin, and to all the many back room boys and girls who worked tirelessly throughout the busy day making sure everything ran smoothly and lovely to catch up with Rowena Murphy too. Dr Chris Coyles was the perfect steward and such a great companion on our busy day, we were assisted by Anna Chrapala, who was learning the ropes so to speak she proved to be extremely helpful, and both were kindness itself to me and the cats. I have to confess I had my 'kind' hat on in some instances but for all the right reasons. Our lunch was very welcome and the lovely and very thoughtful gift is very much appreciated and will remind me of my time in Southern Ireland. I am indebted to Lyndon Steele for taking over my pet section, thanks Lyndon. Last but by no means least, to the exhibitors who came from far and wide to show their cats, thank you for giving me the opportunity to judge the many different breeds it was both a great experience and pleasure.

### SECTION 1

#### HIBERNIAN GRAND CHAMPION

HIBERNIAN TO HARTES GrCh & Int Ch MOLLYCODDLE HEARTBREAKER (EXO n 03 22) M (02.08.2015) I think that a little more effort in the preparation of this boy he would have looked much better a sweet boy he handled like a dream so I ask where is the problem? There are a lot of grooming products on the market and with a little bit of effort he would have looked and probably felt a lot better, hey ho there I go again nuf said, suffice to say with my 'kind' hat on I awarded him the Hibernian because his good Exotic type is what I look for in this breed and he had plenty of it.
