- 15 All exhibits must be presented to the appointed Veterinary Surgeon(s) for examination before entering the penning area.
Exhibitors with a number of exhibits must present all to the same Veterinary Surgeon for examination.
- 16 All exhibits are required to have current vaccination against F.I.E. and cat 'flu, certificates to be dated at least 7 days prior to the date of show. Certificates should be brought and will be checked at vetting-in. Cats with an invalid vaccination certificate will be rejected under

Section A. Cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination, valid for that show, to the Show Manager within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of vaccination is received.

- 17 Exhibits rejected by the Vet may not enter the show hall.
- a) Depending on the reason for rejection the Vet may disqualify other exhibits from the same household or cattery and in some instances the owner(s) may also be refused entry.
 - b) Rejection under sections B, C, & D of the Rejection Form means that the owner will have to supply a Veterinary Clearance Certificate to the GCCFI (Show|Manager) and receive acknowledgement of its acceptance before entering another show.

- 19 In the case of veterinary rejection the exhibitor will receive a signed rejection slip from the Veterinary Surgeon, also a clearance form which in due course the Exhibitor's own Veterinary Surgeon should complete and return to the Show Manager.
- Following rejection either at GCCF or GCCFI shows, a clearance certificate must be sent to GCCFI and acknowledgement received before the exhibits may compete at another show under either GCCF or GCCFI rules. In the case of rejection fees will not be refunded.
- 20 The decision of the Vet is final and not subject to appeal.
- 21 Exhibits arriving too late for the Veterinary examination may not enter the show and fees will not be refunded.
- 22 If an exhibit seriously bites or scratches a Veterinary Surgeon, Judge or Steward, the matter must be reported to the Show Manager by the injured party. It is then the duty of the Show Manager to withdraw the exhibit from that show and to notify the owner in writing, while sending a copy to the Secretary GCCFI. If the Exhibit was defending itself in exceptional or frightening circumstances, this information should also be given to the Secretary GCCFI so that it may be reported to the Executive for consideration. If the exhibit is reported for biting or scratching at another show it shall be disqualified from participating at all future shows, both for competition and/or exhibition, unless the Executive rules otherwise.
- 23 The Show Manager may require any exhibit which shows undue distress for any reason to be withdrawn from the Show. In such a case the exhibit will be disqualified from further competition on the day.
- 24 Any exhibit which cannot be safely handled (CNH) in or out of the pen by a Judge and/or judge's Steward, will be disqualified, with forfeiture of the relevant entry fees. A Judge's decision in this matter is final. The Judge is at liberty to request the Show Manager to display a warning notice on the pen.

- a. The use of grooming aids in the show hall other than the use of a clean brush and comb or cloth is prohibited. No powder or other grooming substances may be left in the coat of an exhibit. The show manager upon being satisfied that this rule has been or is being broken shall disqualify the exhibit concerned from all remaining classes at the show. Awards made prior to disqualification will not be forfeited.
 - b. Any exhibit prepared for show in any artificial manner which changes its appearance relative to the Standard of Points shall be disqualified by the show manager upon

receipt of a form signed by the Judge concerned and one other judge who is on the Best in Show panel. The judges should state that in their opinion there had been a breach of this rule. In the event of such a disqualification of an exhibit any person deliberately breaching this rule may be liable to disciplinary action and all awards shall be held in abeyance until the result of such action is decided.

c. Such preparation includes the uses of powder, dyes, other colouring matter or whitening or darkening substances, or any oils or greasy preparations, or any other cleaning substances which remain in the exhibit's coat during the show; it includes also trimming, clipping, singeing or rasping down of the fast coat.

d. Any treatment, including sedation, causing temporary or permanent change in the normal appearance or physical reaction of the exhibit or any surgery (cosmetic or otherwise) leading to changed appearance or reaction is forbidden.

Exhibitors with male cats that have received hormonal injection for contraceptive purposes are advised to have evidence of this with them to show to the Duty Vet should any testicular abnormality be queried.

Objects identifying the Exhibitor such as business cards or other advertising material may not be left in the vicinity of the pen. A hot water bottle is permitted and should be concealed in the blanket.

28 Water must be left in the pen at all times, but feeding dishes must be removed before judging commences. Exhibits may be fed during the lunch interval.

29 The use of grooming aids in the show hall, other than the use of a clean brush and comb or cloth is prohibited. No powder or other grooming substances may be left in the coat of an exhibit.

30 Exhibitors are requested to point out to the Show Manager at the earliest possible moment, any errors in regard to their own entries which may appear in the Show Catalogue. If pointed out at a reasonable time during the Show, errors which have occurred as typing, printing or other managerial mistakes will be corrected in the judges' books and other relevant paper work. If error cannot be corrected the Show Manager may refund the entry fees on request.

31 ***Exhibits may not leave the show until the published closing time. Failure to observe this rule will result in awards being cancelled.***
