

## **REGISTRATIONS & IMPORT DOCUMENTATION**

Unfortunately, due to the strict lockdown procedures announced by the UK Government on 23rd March 2020, the GCCF will not be able to send post out to customers. This includes returning documents and new registration cards etc.

However, from Monday 30th March 2020 they hope to be able to email customers a copy of new registration cards etc. GCCF will then send out the cards, and any documents that need to be returned, in the post as soon as the restrictions have been lifted.

Temporarily they will accept photocopies of import paperwork. Please send them to [info@gccfcats.org](mailto:info@gccfcats.org) Originals will be required as soon as restrictions are lessened.

We apologise for any inconvenience and are doing our best to keep the disruption to the minimum possible. Thank you for your understanding.
