

Many thanks to Carmel & Gloria and the team for my invite to judge. It's a long way to come, but it's always a warm welcome and the cats were lovely! I was fortunate to have Elaine as my steward. This was only her second time stewarding, but you would never have known. She handled the cats with care, the paperwork with great expertise and was lovely company to boot! I do hope we'll be able to work together again.
