EXHIBITS & EXHIBITORS

PART 1- ENTRY

- 1 With the exception of Household Pets, all cats and kittens exhibited at a show licensed by the GCCFI must be registered with GCCFI. Cats entering the adult and neuter classes must be 9 calendar months or over on show day. Kittens under the age of 14 weeks on show day must not be shown (in competition or in exhibition).
- 2 The Owner of the cat is the person so named in the GCCFI register.
- 3 Registration and transfer applications must be received **10 days prior to the show**.
- 4 **Important:** The entry form must be accurately completed. The onus is on the exhibitor to enter the correct classes and to enter all details to correspond with the details on the registration/transfer certificate. Each competitive exhibit must be entered in its breed class.
- 5 No cat or kitten may attend any show or public exhibition less than 13 days prior to or following the date of the show being entered. This applies to all cats living at the same address.
- 6 GCCFI health declaration must be carefully read, signed and the rules specified therein must be observed. If the cat is in joint ownership, either owner may sign.
- 7 Correct Entry Fees as specified in Schedule must be paid online or enclosed with manual entry.
- 8 Entries and fees must be returned by designated closing date.
- 9 Entries may be withdrawn before published closing date by writing to Show Manager. Fees will be returned.
- 10 After published closing date entries may only be withdrawn and fees returned: -
in the case of death or serious illness of exhibit(s) confirmed in writing by a Veterinary Surgeon
If there should be a change of breed class judge from that published in Schedule. Judge changes will be posted on www.gccfi.com website and the relevant Club website.
- 11 Judges, and members of a judge's household, may not compete in shows at which the judge is engaged, with the exception of the Household Pet Section.

PART 2- SHOW DAY

- 12 Exhibits must be brought in secure escape proof carriers and be accompanied by owner or owner's representative; a top loading carrier is recommended.
- 13 Exhibitor or Exhibitor's representative must be available at all times during the course of the show in case any emergency arises.
- 14 Exhibits should be in good health, free of all outward sign of illness or skin disease or vermin infestation.
- 15 All exhibits must be presented to the appointed Veterinary Surgeon(s) for examination before entering the penning area. Exhibitors with a number of exhibits must present them all to the same Veterinary Surgeon for examination.
- 16 **All exhibits are required to have current vaccination** against F.I.E. and cat 'flu, certificates to be dated at least 7 days prior to the date of show. Certificates should be brought and will be checked at the vetting-in. Cats with an invalid vaccination certificate will be rejected under Section A. Cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination, valid for that show, to the Show Manager within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of vaccination is received.
- 17 Exhibits rejected by the Vet may not enter the show hall.
Depending on the reason for rejection the Vet may disqualify other exhibits from the same household or cattery and in some instances the owner(s) may also be refused entry.

Rejection under sections B, C, & D of the Rejection Form means that the owner will have to supply a Veterinary Clearance Certificate to the GCCFI (Show Manager) and receive acknowledgement of its acceptance before entering another show.

Veterinary Surgeons are instructed not to admit adult monorchid or cryptorchid male cats. Queens which are pregnant, lactating or have kittens within the past 12 weeks may not compete.

A de-clawed cat must be rejected.

The Veterinary Surgeon (or a Judge) may disqualify from competition any cat or kitten which in their opinion is very under-developed or in very poor condition.

- 18 During the course of the show, if the official Veterinary Surgeon is not readily available, the Show Manager alone is empowered to take decisions concerning the well-being of the cats.
- 19 In the case of veterinary rejection the exhibitor will receive a signed rejection slip from the Veterinary Surgeon, also a clearance form which in due course the Exhibitor's own Veterinary Surgeon should complete and return to the Show Manager. Following rejection, either at GCCF or GCCFI shows, a clearance certificate must be sent to GCCFI and acknowledgement received before the exhibits may compete at another show under either GCCF or GCCFI rules. In the event of rejection, fees will not be refunded.
- 20 The decision of the Vet is final and not subject to appeal.
- 21 Exhibits arriving too late for the Veterinary examination may not enter the show and fees will not be refunded.
- 22 If an exhibit seriously bites or scratches a Veterinary Surgeon, Judge or Steward, the matter must be reported to the Show Manager by the injured party. It is then the duty of the Show Manager to withdraw the exhibit from that show and to notify the owner in writing, while sending a copy to the Secretary GCCFI. If the Exhibit was defending itself in exceptional or frightening circumstances, this information should also be given to the Secretary GCCFI so that it may be reported to the Executive for consideration. If the exhibit is reported for biting or scratching at another show it shall be disqualified from participating at all future shows, both for competition and/or exhibition, unless the Executive rules otherwise.
- 23 The Show Manager may require any exhibit which shows undue distress for any reason to be withdrawn from the Show. In such a case the exhibit will be disqualified from further competition on the day.
- 24 Any exhibit which cannot be safely handled (CNH) in or out of the pen by a Judge and/or judge's Steward, will be disqualified, with forfeiture of the relevant entry fees. A Judge's decision in this matter is final. The Judge is at liberty to request the Show Manager to display a warning notice on the pen.
- 25 Any complaint arising from the show should be made to the Show Manager on the day. Any complaints made after the show must be submitted on the official complaints form (available on the website) and sent with the fee to the Secretary, who will circulate to the Investigation Panel.
 - (a) The use of grooming aids in the show hall other than the use of a clean brush and comb or cloth is prohibited. No powder or other grooming substances may be left in the coat of an exhibit. The show manager upon being satisfied that this rule has been or is being broken shall disqualify the exhibit concerned from all remaining classes at the show. Awards made prior to disqualification will not be forfeited.
 - (b) Any exhibit prepared for show in any artificial manner which changes its appearance relative to the Standard of Points shall be disqualified by the show manager upon receipt of a form signed by the Judge concerned and one other judge who is on the Best in Show panel. The judges should state that in their opinion there has been a breach of this rule. In the event of such a disqualification of an exhibit any person deliberately breaching this rule may be liable to disciplinary action and all awards shall be held in abeyance until the result of such action is decided.

- (c) Such preparation includes the uses of powder, dyes, other colouring matter or whitening or darkening substances, or any oils or greasy preparations, or any other cleaning substances which remain in the exhibits coat during the show; it includes also trimming, clipping, singeing or rasping down of the fast coat.
 - (d) Any treatment, including sedation, causing temporary or permanent change in the normal appearance or physical reaction of the exhibit or any surgery (cosmetic or otherwise) leading to changed appearance or reaction is forbidden.
 - (e) The show manager shall at once inform the GCCFI Investigation Panel, via the Secretary, of all relevant details in writing and shall similarly inform the exhibitor concerned that this action has been taken and draw the exhibitor's attention to the provisions of this rule.
 - (f) An alphanumeric identification tattoo in the ear or on the inner thigh shall not be considered a change in the normal appearance of a cat.
 - (g) The use of chemical contraception with veterinary supervision is acceptable in the Interests of welfare and is not considered as show preparation. Exhibitors with male cats that have received hormonal injection for contraceptive purposes are advised to have evidence of this with them to show to the Duty Vet should any testicular abnormality be queried.
- 26 During the course of the day no exhibitor, under penalty of disqualification, may approach a judge until that Judge has completed his/her judging engagement.
- 27 **All items used in the pen must be regulation white and no identifying objects such as toys may be left in the pen until judging has been completed.** Objects identifying the Exhibitor such as business cards or other advertising material may not be left in the vicinity of the pen. A hot water bottle is permitted and should be concealed in the blanket.
- 28 Water must be left in the pen at all times, but feeding dishes must be removed before judging commences. Exhibits may be fed during the lunch interval.
- 29 The use of grooming aids in the show hall, other than the use of a clean brush and comb or cloth is prohibited. No powder or other grooming substances may be left in the coat of an exhibit.
- 30 Exhibitors are requested to point out to the Show Manager at the earliest possible moment any errors in regard to their own entries which may appear in the Show Catalogue. If pointed out at a reasonable time during the Show, errors which have occurred such as typing, printing or other managerial mistakes will be corrected in the judges' books and other relevant paperwork. If the error cannot be corrected, the Show Manager may refund the entry fees on request.
- 31 ***Exhibits may not leave the show until after Best In Show judging is complete. Failure to observe this rule will result in awards being cancelled.***
- 32 The Governing Council forbids the sale of cats or kittens at shows. Sale arrangements may be made at shows, but a quarantine period of 7 days must elapse before a cat or a kitten is released from the Breeder to its new home. This is to protect the welfare of the cat/kitten and the interests of the Breeder and New Owner.
- 33 Unacceptable or aggressive behaviour towards any Show Official, Judge, Steward, Vet, Exhibitor or any person **WILL NOT BE TOLERATED**. Any such behaviour will result in the removal of those responsible (and their cats) from the show venue. This behaviour may result in disqualification and/or disciplinary action by the GCCFI.

SHOW RULES

In addition to the GCCFI Show Rules above, the following rules will prevail:

HOUSEHOLD PET SECTION

New title classes for Household Pets

From April 2025 GCCFI have introducing titled classes for these cats. You don't have to go in for the title if you don't want and can enter the classes as usual BUT if you want your cat to be awarded titles he/she must be registered.

This will cost €10 and can be done by going on to the GCCFI website www.gccfi.com, going to the Registrations page and then clicking on Enroll. After that just follow the instructions.

The Household Pet Section has been divided into two groups – Non-Pedigree Pets for those cats of traditional 'moggie' appearance and Pedigree Pets for cats looking like pedigrees and/or with known, unknown, full, half or part pedigree background.

The Non-Pedigree Pets and Pedigree Pets Sections are then divided into Long or Semi-Longhaired and Short-Haired Classes which are then further split for colour and pattern. This group is comprised of cats of pedigree appearance and/or with known or unknown pedigree background, full, half or part pedigree background.

Breeds not recognized by GCCFI are NOT eligible to be shown in Household Pet classes.

The requirements for showing BOTH groups of Household Pets are that all are judged by the same criteria for the quality of their **Presentation, Condition, Temperament and Personality**. In the Pedigree Pet section, no prefixes, titles, breed names or GEMS codes can be used. Cats are entered

either with their pet name or, if registered, the rest of the registered name, without the prefix, may be used. All Household Pets aged 6 months and over must be neutered.

There is a standard list classes for the certificate classes and Show Managers must use these, with the correct class descriptions, to ensure consistency for all shows.

The title class results are recorded and administered by the GCCF office in the same way as Pedigree classes and titles are awarded automatically once the required number of certificates have been awarded.

The GCCF titles in the Household Pet Section are:

- Master Cat (3 certificates under 3 different judges).
- Grand Master Cat (For Master Cats. 3 certificates under 3 different judges).
- Hibernian Grand Master Cat (for Grand Master cats. 4 certificates under 4 different judges)
- Invictus Hibernian Grand Master Cat (for Hibernian Grand Master cats)

The title Invictus Hibernian Grand Master Cat shall be attained at three levels, Bronze, Silver & Gold. Four certificates must be won under 4 different judges in each section. Judges can be used again when you move to a higher section i.e. a judge awarding a Bronze certificate can be entered under in Silver & Gold.

NON-PEDIGREE

Non-Pedigree/Household Pets are unregistered cats of unregistered/unknown parent or parents, and no registered cat may be exhibited in classes offered for them, Cats with two known registered parents (even if of different breeds) are not eligible to be shown as Non-Pedigree.

PEDIGREE PETS

No titles, prefixes breed names etc may be used and must be entered under their pet name only.

Pedigree Pets are one of the following –

Full pedigree cats with or without papers

Cats where one or both parents are pedigree

A pedigree 'lookalike' in either appearance and/or coat colour or pattern of a recognised pedigree breed

'Pedigree' refers to pedigree breeds recognised by GCCF/GCCF only.

All Household Pets (Non-Pedigree and Pedigree Pets) over nine months old must be neutered/spayed

The natural appearance of the cat must not be altered in any way.

Please read the rules and regulations at the front of this schedule very carefully. They apply to all exhibits with the exception that in this section decorated pens are permitted and encouraged so the rule for white accessories is excused
